HE'S MY HUSBAND! Lindsay Armstrong, Mizuho Ayabe, 2019-09-01 When nineteen year old Nicola's father passed away she married his business partner Brett. She'd always had feelings for him so when they married she was over the moon. But her happiness didn't last. It seems that Nicola's father arranged the marriage before his death because he was worried that men would come after her for her money. The whole wedding was arranged just to protect her. As time passes she knows that it's futile to wish for a true passionate marriage with Brett and with her twenty first birthday approaching she'll soon be able to give him back his ring and break things off.
