Hush An Irish Princess Tale English Edition:

Hush Donna Jo Napoli, 2012-12-11 Melkorka is a princess the first daughter of a magnificent kingdom in medieval Ireland But all of this is suddenly meaningless when she is kidnapped and taken aboard a Viking slave ship Thrown into a new and unknown world amongst people her former country's laws regarded as less than human Melkorka must learn quickly if she is to survive Taking a vow of silence however she finds herself an object of fascination to her captors and she soon realises that what little power she has may just make a difference Based on an ancient Icelandic folktale this is a heart breaking story of a young girl who must learn to forget all she knows and carve out a place for herself in a new world all without speaking a word

Hush Donna Jo Napoli, 2015-02-20 Fifteen year old Melkorka an Irish princess is kidnapped by Russian slave traders and not only learns how to survive but to challenge some of the brutality of her captors who are fascinated by her apparent muteness and the possibility that she is *Canon Fanfiction* Christine Schott, 2023-01-30 Several scholarly fields investigate the reuse of source texts most relevantly adaptation studies and fanfiction studies The limitation of these two fields is that adaptation studies focuses narrowly on retelling usually in the form of film adaptations but is not as well equipped to treat other uses of source material like prequels sequels and spinoffs On the other hand fanfiction studies has the broad reach adaptation studies lacks but is generally interested in underground production rather than material that goes through the official publication process and thus enters the literary canon This book sits in the gap between these fields discussing published novels and their contribution to the scholarly engagement with their pre and early modern source material as well as applying that creative framework to the teaching of literature in the college classroom **Donna Jo Napoli** Hilary S. Crew, 2010-04-26 Donna Jo Napoli has received acclaim for her young adult works and is especially known for her historical novels and her retellings of myth and fairy tales In this full length critical study Hilary S Crew integrates criticism and biographical information to illuminate Napoli's many novels as well as other writings by Napoli such as her essays on writing for young people and her book *Language Matters* A comprehensive critical analysis of 19 novels Donna Jo Napoli *Writing with Passion* provides an understanding of how Napoli's life and profession as a professor of linguistics influences her writing for young adults The novels analyzed in this study include Napoli's retellings of such fairy tales and myths as *The Magic Circle* *Zel Bound* *Beast and Sirena* novels whose stories are drawn from religious and traditional sources such as *Song of the Magdalene* *Breath and Hush* such historical works as *The Smile Daughter of Venice* and two novels set during WWII *Stones in Water* and *Fire in the Hills* and her most recent book for young adults *Alligator Bayo* An interview with Napoli concludes this significant resource for those working with young adults **Alice in Charge** Phyllis Reynolds Naylor, 2011-08-30 Senior year is a big deal and it's full of huge decisions and the very best kind of memory making but for Alice McKinley her last year of high school is being overshadowed by some very difficult situations A sudden increase in vandalism at the school leads Alice to discover an angry and violent group of students teenage Neo Nazis And if that wasn't bad enough an awkward

hallway encounter gets Amy Sheldon to confess that a new attentive teacher has been taking advantage of her. All at once Alice's safe and comfortable school starts feeling strange and serious. All this plus the normal senior year pressures of college applications and life making decisions. It's no wonder Alice is feeling like she can't cut loose and have a good time. She's getting older. Alice knows that but does the world have to throw everything at her at once? Here are her options: step up or melt down. The choice is simple and true to the character that readers have loved for years. Alice steps up and in a big way.
