Prospects and Challenges of Community-Based Tourism and Changing Demographics Mensah, Ishmael, Afenyo-Agbe, Ewoenam, 2021-09-17 The negative impacts associated with conventional tourism has occasioned more sustainable forms of tourism including community based tourism CBT. Among the benefits of CBT are the improvement of rural economies, empowerment of the local community and poverty alleviation. In as much as CBT has been promoted as being more beneficial to local communities, its implementation is not without challenges. In the wake of the COVID 19 pandemic, destination marketing organizations and managers of CBT projects have to adopt different marketing strategies including shifting to target new demographics in an effort to remain sustainable. **Prospects and Challenges of Community Based Tourism and Changing Demographics** provides theoretical and empirical insights in the prospects and challenges associated with CBT, critically examining issues of structure, impact, management, marketing, support, changing demographics, challenges, sustainability and implications for the future of CBT. It also highlights critical lessons and trends in CBT from both established and new CBT initiatives to inform the design, management, marketing and sustainability of CBT projects. This book will be a useful addition to the literature on CBT with its coverage of topics such as conservation, cultural tourism and sustainable rural livelihoods. This book provides an excellent resource for students, academicians, researchers, tourism and hospitality practitioners, managers, destination managers, stakeholders, tour operators and policymakers.

Real-World Solutions for Diversity, Strategic Change, and Organizational Development: Perspectives in Healthcare, Education, Business, and Technology Burrell, Darrell Norman, 2023-09-11 The great resignation, quiet quitting, MeToo, workplace cultures, bro culture at work, the absence of more minorities in cybersecurity, cybercrime, police brutality, the Black Lives Matter protests, racial health disparities, misinformation about COVID 19 and the emergence of new technologies that can be leveraged to help others or misused to harm others have created a level of complexity about inclusion, equity and organizational efficiency in organizations in the areas of healthcare, education, business and technology. **Real World Solutions for Diversity, Strategic Change and Organizational Development: Perspectives in Healthcare, Education, Business and Technology** takes an interdisciplinary academic approach to understand the real world impact and practical solutions oriented approach to the chaotic convergence and emergence of organizational challenges and complex issues in healthcare, education, business and technology through a lens of ideas and strategies that are different and innovative. Covering topics such as behavioral variables, corporate sustainability and strategic change, this premier reference source is a vital resource for corporate leaders, human resource managers, DEI practitioners, policymakers, administrators, sociologists, students and educators of higher education, researchers and academicians.
