dynamic world of social media marketing helping you understand what social media marketing is and how to use it to reach the audience you want and maximize your company's revenue. The book talks about the importance and scope of social media marketing, the comparison between traditional media and social media, what a media mix is, and how to formulate social media plans and strategies to name a few. It further describes different types of content for social media marketing and how to tailor it for popular social media platforms like Facebook, Instagram, YouTube, X, etc. The differences between organic and paid marketing are crucial to formulating a cost-effective social media marketing strategy, and this book helps you with that as well. The book concludes with chapters on the metrics used to evaluate the success of a social media marketing plan and the ethics surrounding the practice of social media marketing. This book will help you:

- i Learn the process of coming up with a marketing strategy
- ii Navigate through the sea of social media platforms and create platform-specific content
- iii Explore hashtags. Know when, where, and how to use them
- iv Understand the metrics and evaluate your social media marketing strategies

The author, Dr. Kavita Kamath, boasts a doctorate in social media marketing and has 17 years of teaching experience under the bag, so you know the book is reliable and holds a treasure of knowledge for anyone looking to gain a deeper understanding of the essentials of the subject matter.
