My Fathers A Drug Dealer English Edition:

In My Father's House Fox Butterfield, 2019-09-03 From the Pulitzer Prize winning New York Times journalist a pathbreaking examination of our huge crime and incarceration problem that looks at the influence of the family specifically one Oregon family with a generations long legacy of lawlessness The United States currently holds the distinction of housing nearly one quarter of the world's prison population But our reliance on mass incarceration Fox Butterfield argues misses the intractable reality As few as 5 percent of families account for half of all crime and only 10 percent account for two thirds In introducing us to the Bogle family the author invites us to understand crime in this eye opening new light He chronicles the malignant legacy of criminality passed from parents to children grandchildren and even great grandchildren Examining the long history of the Boggles a white family Butterfield offers a revelatory look at criminality that forces us to disentangle race from our ideas about crime and in doing so strikes at the heart of our deepest stereotypes And he makes clear how these new insights are leading to fundamentally different efforts at reform With his empathic insight and profound knowledge of criminology Butterfield offers us both the indelible tale of one family's transgressions and tribulations and an entirely new way to understand crime in America

Broken - I was just five years old when my father abused me and robbed me of my childhood. This is my true story of how I never gave up on hope and happiness Sara Davies, 2013-05-06 Sara Davies story is one of abuse neglect betrayal and ultimately survival When she was just 5 years old her violent father began to sexually abuse her She suffered in silence for many years as her father took advantage of her innocence and her mother turned a blind eye to the horrors that were taking place in her own home It was only when Sara found the courage to tell her mother what had happened that the truth about the trauma and abuse she had suffered came out In an attempt to rebuild her life as a teenager Sara became a model but even this choice was to lead to more misery when she discovered that the agency had been drugging and abusing her Despite the horrors that Sara has endured she has survived and partly by telling her story has overcome the past to rebuild her life

Made it Out Gerard Ellis Green, 2023-09-13 Only by God's grace I am still alive and not in prison I was born in a federal housing project and my mother was fifteen years old when she became pregnant with me Both of my parents served time in prison for trafficking heroin My father had eight sons and I am the only one who did not spend time in the penitentiary Two of my brothers and four of my nephews have been murdered in the streets because of gang wars After being raided by the police I was luckily given probation I would either get a job and work or spend the rest of my life in and out of prison My life has been an incredible journey and I am happy to share my story of survival with anyone who is interested

The Devil Graham Johnson, 2011-03-04 Drug dealers beware The Devil is coming to get you Gangster Stephen French invented the perfect crime robbing drug barons of their huge fortunes In SAS style swoops French raided their fortified mansions and tortured them with horrifying violence until they paid up Through taxing the richest and most powerful crimelords in the UK he netted over 20 million French was no ordinary criminal He was a

I Got There JeVon McCormick, 2021-04-15 He was born the mixed race son of a negligent drug dealing pimp father and a struggling single mother He was raised in the slums of Dayton Ohio suffered incredible abuse and racism and had multiple stints in the juvenile justice system He barely graduated high school and has no college degree No one expected him to succeed But succeed he did Starting out by scrubbing toilets JT hustled and worked his way into better opportunities eventually finding incredible success in the mortgage industry He was on top of the world And then it all fell apart He lost his job and his money But instead of stopping him this setback became the springboard for him to reach even greater heights eventually becoming President of a multimillion dollar software company and then CEO of a multimillion dollar book publishing startup Gripping heartbreaking enlightening and ultimately uplifting I Got There proves that no obstacle is too difficult to conquer and that the game can be won by anyone from anywhere "It's Okay, You're with My Father" William Shelton, 2011-07-01 The book Its Okay You're with My Father A Child Abuse Investigators Call to the Church by Chris Shelton is the inside story of one who has been there one who has worked with victims but one who still had the love of Christ in him when dealing with perpetrators There was never a task too small or too large for Chris to tackle if it helped to find justice for victims or their families Chris stood for the children and often the terms of justice were creative sometime amazing but always filled with his prayers While reading the book I could visualize the characters and could see Chris giving support but never losing sight of the importance of his belief that we are all children of God I always felt during an investigation that Chris Shelton had my back He took small pieces of evidence and worked with each piece until the justice system had the whole I am honored to recommend this book it is written by a man who has been in the trenches but did not forget what was important Cathy L Young DNSc FNP BC coordinator of the Family Nurse Practitioner Track Arkansas State University College of Nursing and Health Professions

In My Father's Name Mark Arax, 1997-08 On January 2 1972 Mark Arax's childhood came to a sudden explosive end when his father was shot to death at his nightclub in Fresno California It was one of the most sensational murders in California's heartland and it was never solved Mark only fifteen years old at the time was left with a legacy of questions Were the rumors about his father true Had he led a double life Was he killed because of his dealings with the underworld Mark Arax an award winning journalist at the Los Angeles Times now writes a searing intensely personal account of his twenty two year search for answers about his father's life and death and his own identity As the oldest child Mark was thrust into the role of patriarch His quest for answers began in high school when he sought out his father's father an Armenian immigrant His grandfather opened a window into an old country world

full of promise and heartbreak and four generations of eccentric family members Two decades later Mark uprooted his wife and baby and returned to Fresno under an assumed name to try and determine who killed his father and why Fearing for his own life he discovers his father was murdered just before he was going to make a startling disclosure More than a true life murder mystery more than an exploration of family and culture In *My Father's Name* is the poignant story of one man's remarkable journey as he uncovers long hidden secrets about his father his family his heritage and the town he once called home

100 Years Mark L Baynard,2015-02-12 100 Years is an inspirational true story of courage determination and the will to make a positive change As a teenager Mark got involved with drugs and the street life His behavior led him to serve an extended prison sentence Mark also realized that his family collectively wasted more than one hundred years in prison Instead of blaming others Mark started the journey to end the cycle of crime and prison within his family as well as in the community Mark's goal is prevent our youth from making some of the same mistakes that he made Mark's story will inspire you to never give up despite the circumstances There is always hope
