

My favourite sport is Basketball

Basketball is my favorite sport. The reason why, is because I've been playing basketball since I was eight years old and I became attached to this game. Basketball is a game where two teams play against each other. There are also different players on the team. The different positions are small forward, power forward, point guard, shooting, and center. I am the point guard. The point guard controls the ball and make plays.

When I joined a basketball team in the 7th grade, my team was called the AJ middle basketball team. I felt excited and I also met new friends! My favorite player on the team was the shooter. The shooter never missed a shot and was always a hard working team player. When I play basketball I felt more confident and it makes me not care as much about what others think about me. Basketball was a new hobby for me that helped me grow.

Basketball is very enjoyable for me and it keeps me out of trouble. I won't say basketball is easy because it's not. Playing basketball you have to practice with your team. My coach Mr. Williams made us practice every day after school if we had an upcoming game. We had to run laps, do push-ups, sit ups, drills, and sometimes we had to scrimmage the boys. When I would leave practice my body was sore. As a team everyone had to put all there effort into the game.

My first game I played in school was against the South middle school basketball team. We won the game that year! The score was 50 points against 45 points. We were so excite as a team. Knowing we worked hard and put our effort into the game. That pushed us even harder.
