

My family

My family has three people: my father, my mother and me. I am the only daughter in my family. I haven't any brothers. My father is a lecturer in a college. He is 48 years old. He has been teaching English for over 20 years. He is an experienced teacher. He has already written 40 books. My mother works at the same school with my father. She is 43 years old. She is a cheerful and pretty person. As for me, I am a pupil at a high school in the province now. I am a student. My dream is to be an English teacher like my parents. I hope that my dream will come true in a near future.
