All My Loving Beth Kaplan,2014-04-01 A memoir of the vibrant mid Sixties that illuminates both the real life and powerful imagination of an articulate Beatlemaniac spending a lonely year in Paris She didn t want to go overseas with her family when her dad takes a sabbatical from his university to study in France That would mean leaving leaving her school friends in her hometown of Halifax Nova Scotia But when her friends reminded her that she d be closer to the Beatles she decides to keep an open mind In a series of poignant and humorous diary fantasies about a romance with Paul McCartney a young Beth Kaplan writes her way into adolescence the dawning of sexual awareness and the world of real boys **The Free**

Methodist ,1901 **Shifting Horizons and Crossing Borders** ,2024-07-29 The book captures key moments in the critical and creative dialogue of literary scholars poets and artists with poet author documentary film maker and literary scholar Stephanos Stephanides Employing a polyphonic and cross disciplinary perspective the twenty three essays and creative pieces flow together in cycles of continuities and discontinuities emulating Stephanides s fluid and transgressive universe Drawing on the broad topic of borders and crossings *Shifting Horizons and Crossing Borders* offers critical material on themes such as space and place dislocation and migration journeys and bridges movement and fluidity the aesthetics and the politics of the sea time nostalgia and trans cultural memory identity and poetics translation and translatability home and homecoming An invaluable reference for anyone interested in the crosscurrents between the poetic the cultural and the political *Mother's Love* Luke Foster,2023-06-23 *Mother s Love* is a series of essays about social issues I say that my readers know my essays are good for them like broccoli but the jokes throughout are sort of the cream cheese that makes the essays tasty I started writing them in 2014 and then picked up where I left off in 2021 Some of the best essays were written while travelling to Brooklyn in New York in 2021 The other more notable essays were written after long beach walks where I

would empty my mind out so when I started writing I would only have a heading in mind and then let the rest flow directly out of my subconscious I often say that my life is sort of a circus that my essays are based on but the Dalai Lama says circuses are fun
