Bow ties are cool but secrets not so much Behind Robert Emeny s cheerfully eccentric exterior lies a young heart battered and bruised by his past He s taken a job in a village primary school to make a fresh start and love isn t part of his plans But then he s knocked for six literally by a chance encounter with the uncle of two of his pupils Sean Grant works in pest control lives on a council estate and rides a motorbike

Robert is an ex public schoolboy from a posh family who drives a classic car On the face of it they shouldn't have anything in common Yet Robert can't resist Sean's roguish grin and passion sparks between them even after an excruciatingly embarrassing first date Too bad the past Robert's hiding from is about to come looking for him His increasingly ludicrous efforts to keep his secrets are pushing Sean away but telling the truth could make Sean leave him for good **One Under** JL Mellow, 2018-03-19 London Underground worker Mal Thomas is staying in Porthkennack to recover from a traumatic experience Getting more bad news from home is the last straw until big blond museum curator Jory Roscarrock steps up to offer some comfort As a doctor of English literature Jory should be in a prestigious post at a top university But a youthful indiscretion led him to abandon academia to come back to his hometown Porthkennack and the controlling family he's never really felt a part of He's delighted to find a kindred spirit in Mal But Jory's family hurt Mal's best friend deeply and while Jory is desperate to repair the damage his own mistakes threaten to keep him and Mal apart Meanwhile Mal is torn between his feelings for Jory and his duty to his friend and his fears that a failed relationship could be more than his shattered confidence can take Jory must convince Mal it's worth risking everything for their love See this title's page on RiptidePublishing.com for content warnings **Played!** JL Mellow, 2017-06-12 All the world's a stage but life doesn't come with a script Posh boy Tristan Goldsmith has one last summer of freedom before he joins the family firm in New York no more farting around on stage as his father puts it But the classically trained actor can't resist when the Shamwell Amateur Dramatics Society begs him to take a leading role in their production of A Midsummer Night's Dream As an added incentive he'll be giving private acting lessons to a gorgeous local handyman who's been curiously resistant to Tristan's advances As a late diagnosed dyslexic still struggling with literacy Con Izzard's never dared to act before With arrogant yet charming Tristan helping him with his lines he finally has his chance to shine But Con's determined not to start a romance with a man he's convinced only wants a casual fling Tristan's never been one to back down from a challenge especially when he realises his attraction to the tall muscular handyman isn't just physical Just as he thinks he's finally won Con's heart and given his own in return disaster strikes with a slip of the tongue that shatters Con's trust and sends him running for cover This show may be over before the curtain's even opened **Lovers Leap** JL Mellow, 2016-02-29 If they looked would they ever leap Good looking confident and doted on by his widowed mum Michael is used to thinking only of himself Getting shoved off an Isle of Wight pier by an exasperated ex-ought to come as a wake up call but then he meets Rufus and he's right back to letting the little head take charge Rufus is cute keen and gets under Michael's skin in a disturbing way Would be chef Rufus can't believe his luck when a dripping wet dream of a man walks out of the sea on his birthday especially when Michael ends up staying at the family B B Life is perfect at least until Michael has to go home to the mainland Rufus can't leave the island for reasons he's entirely neglected to mention And though Michael identifies as bi breaking his mum's heart by coming out and having an actual relationship with a guy has never been his plan With both men determined to keep their secrets a leap of faith could land
