Found Wanting A Memoir Of Misreading:

Looking for Love in Strange Places: A Memoir for My Stepdaughters Diana Page, 2016-02-18 Back in 1968 Diana Page was going to graduate from the University of Michigan without much hope for marriage or a career She didn't have a boyfriend so a prospective husband was unlikely to materialize before the semester ended and a bachelor's in political science wasn't going to make her easily employable The solution Join the Peace Corps where she could help change the world and possibly meet a guy who shared her values Thus began Diana's adventures Her travels as a journalist and diplomat took her down the dangerous roads of Latin American history from the 1960s into the twenty-first century With excerpts from diaries letters and news articles she weaves together a narrative of war and peace presidents and peasants but mostly of ordinary people who teach her about life She also runs into a few extraordinary people along the way Fidel Castro Isabel Peron Pelé Jorge Luis Borges and Hillary Clinton among others Looking for Love in Strange Places A Memoir for My Stepdaughters is a hopeful humorous account of what happens when you seize the day without too many expectations for the future *The Sutherland book [correspondence and charters, ed., with memoirs of the earls of Sutherland] by Sir W. Fraser Sutherland (earls of.), 1892* **Temple Bar**, 1904 **Selected Letters of Margaret Laurence and Adele Wiseman** Margaret Laurence, Adele Wiseman, 1997-01-01 The correspondence between Margaret Laurence and Adele Wiseman covers a period of 40 years from 1947-1986 and encompasses the professional and personal developments accomplishments disappointments and satisfactions of that period Ever By My Side Nick Trout, 2011-02-08 The lessons that these animals taught me have been subtle startling and inspirational playing a small but vital part in helping to shape the person you see with the stethoscope around his neck Dr Nick Trout New York Times bestselling author Nick Trout has captivated readers by taking them behind the scenes into the heartwarming and sometimes heartrending world of veterinary medicine In Ever By My Side Nick turns the lens inward to offer a funny moving and intimate memoir about how the pets he has had throughout his life have shaped him into the son husband father and doctor he is today Using his relationships with those beloved animals to tell his life story Nick shares the profound lessons he's learned about friendship loyalty and resilience The result is a moving story that speaks not just to animal lovers but to any reader who appreciates the bonds we have with our loved ones be they animal or human and the lengths to which we go to nurture those bonds Nick waxes nostalgic about his boyhood in a working class British suburb where a large German shepherd named Patch was the perfect companion to a scrawny bookish boy in a neighborhood full of bullies He writes about his relationship with his father the man who nurtured Nick's dream of becoming a vet even though he couldn't have imagined the career would lead his only son 3 000 miles away He describes wooing his future wife and stepdaughter and perhaps most difficult of all their ornery cat And he offers a poignant chronicle of his daughter's devastating diagnosis of cystic fibrosis and how a little yellow Labrador retriever played an important role in bringing joy to their family when they needed it most Alongside Nick's warm reflections the pets in these pages come alive

as irresistible characters in their own right and showcase the power of animals to offer a lifetime of consolation guidance and abiding affection *Tender wry and ruminative Ever By My Side* is a tribute to the power and beauty of ordinary life and a celebration of how pets make it all the sweeter and richer **Journal of the Ceylon Branch of the Royal Asiatic Society**
