Five Foundations of Human Development Errol A. Gibbs, Philip A. Grey, 2011-06-08

Five Foundations of Human Development FFHD is a philosophical religious and practical discourse on human development based on the following five foundations Spiritual Moral Social Intellectual and Physical The authors proffer that human beings possess the capacity to rise to a higher state of civilization when we allow Spiritual Intelligence to underpin human intelligence as our capable guide The indomitable spirit within human beings that brought civilization out of the Dark Ages and into an Age of Enlightenment demonstrates our capacity to transcend moral hope and optimism for a better world with peaceful coexistence among individuals families and nations This book will help inform enlighten and empower individuals and leaders in such fields as engineering science religion politics the military and other great institutions to engender solutions to the myriad of unsolved problems of past centuries problems of the present and emerging problems of the future

Problems such as wars genocide greed and the exploitation of human beings begin within our destructive spiritual nature and manifest in the physical nature Therefore solutions also lie in the spiritual realm as a counterbalance to the natural realm of human existence FFHD is a blueprint for human survival based on adherence to physical laws and spiritual laws that transcend a belief in an omnipotent all powerful omnipresent everywhere and omniscient all knowing being It will awaken the conscience to comprehend the lifethreatening issues that face humankind The solutions therefore cannot merely be left only to the educated elite the military forces and those in high public and private office The global significance of this book is that it informs a more communal view of our world It is the only perspective that will allow us to enter the global village prepared for the racial social cultural environmental and economic challenges that lie ahead NKJV, Foundation Study Bible Thomas Nelson,2015-09-01 The perfect foundation for Bible study and the Christian life Build your life on it The Foundation Study Bible is a thorough portable and affordable Bible for students of God s Word at any level It has the most important helps for basic study whether you re just beginning or brushing up on essentials Features include Trustworthy NKJV text Cross references and translators notes Verse by verse study notes and theological notes Words of Jesus in red Index Concordance Full color Bible maps Part of the Signature Series line of Thomas Nelson Bibles The New King James Version More than 60 million copies sold *Bible Treasures Student's Manual* Eleanor G. Hedrick,2019-01-11 Unmasking Biblical Faiths aims to address many of the challenges to traditional Christian faith in the modern world Since the eighteenth century Age of

Enlightenment human reason formerly tethered by the constraints of organized religion has been set free to explore the universe relatively unchallenged. The influence of the Bible on the other hand weakened due to the successes of modern historical criticism is found to be inadequate for the task of enabling the faith once for all delivered to the saints. Jude 3 in that it cannot adequately respond to the many questions about religious faith that human reasoning raises for modern human beings. In a series of short but tightly reasoned essays Charles Hedrick explores the confrontation between traditional Christian faith and aggressive human reason a conflict that is facilitated by Western secular education.

Encountering the Book of Hebrews (Encountering Biblical Studies) Donald A. Hagner, 2002-08-01 Although the Book of Hebrews is not exactly what most of us would regard as a user friendly book, notes Donald Hagner, Hebrews has always been popular among Christians. Encountering the Book of Hebrews was written to help students more fully appreciate the complexities of this favorite section of Scripture. Hagner begins by exploring introductory issues e.g. historical backgrounds, author, audience, date, purpose, structure, genre, and overarching themes e.g. heavenly archetypes and earthly copies, the use of the Old Testament, the attitude toward Judaism. The heart of the book then offers a chapter by chapter exposition of Hebrews. Unlike commentaries, it does not try to be exhaustive, examining all details and answering all questions, but instead guides students to the issues that are most important for their study of this difficult book. Hagner concludes with a final look at the contribution of Hebrews to the New Testament, New Testament theology, the church, and the individual Christian. As with other volumes in the Encountering Biblical Studies series, Encountering the Book of Hebrews is designed for classroom use and includes a number of helpful features including further reading sections, key terms, chapter objectives, and outlines, along with numerous sidebars and illustrations.
