By providing easy-to-understand strategies and tips, Invest with Confidence helps you make informed investment decisions with a sense of security and confidence. This book is perfect for anyone who wants to take control of their financial future and start building wealth, no matter where you are in your financial journey.

The Software Encyclopedia, 1986

Foundations in Personal Finance Dave Ramsey, 2023 Teaches you how to save money, invest and build wealth, write and follow a budget, live debt free and attend college without student loans, set and achieve personal and career goals, become a wise consumer, evaluate employee benefits, describe different kinds of insurance and know what's best for you, communicate with others about money, identify types of taxes and how they affect your income, give to others of your money, time and talents, make informed and responsible financial decisions.

Forthcoming Books Rose Arny, 1999

Coercion and Social Welfare in Public Finance Jorge Martinez-Vazquez, Stanley L. Winer, 2014-05-22 Although coercion is a fundamental and unavoidable part of our social lives, economists have not offered an integrated analysis of its role in the public economy. The essays in this book focus on coercion arising from the operation of the fiscal system, a major part of the public sector. Collective choices on fiscal matters emerge from and have all the essential characteristics of social interaction, including the necessity to force unwanted actions on some citizens. This was recognized in an older tradition in public finance which can still serve as a starting point for modern work. The contributors to the volume recognize this tradition but add to it by using contemporary frameworks to study a set of related issues concerning fiscal coercion and economic welfare. These issues range from the compatibility of an open access society with the original Wicksellian vision to the productivity of coercion in experimental games.
