mathematics program for students of all ages and all learning abilities We use a carefully ordered sequence of associative  
mnemonics in order to embed an accurate understanding of math concepts and skills in the long term memory of our  
students hence the expression Simply Unforgettable We do not ask students to memorize math facts through repetition We  
do not use learning by rote methods that teach only to a student s short term memory We have never encountered a math  
program or a supplemental material based entirely on learning by association nor have we ever encountered a program that  
has enjoyed our level of success with all students across the learning spectrum Now in its 25th year the program has  
undergone both a business reorganization and a long awaited revision of the Level One Teacher s Manual by the original  
author Jan Semple Sample Math materials were formerly distributed by Stevenson Learning Skills Inc Moving forward
