Lillian DeWaters, 2015-02-14 **God is All** Lillian De Waters, 1928 The Christ Within Lillian Dewaters, 2007-03-01 Christian Science axiom dictates that it is faith in God that will heal all physical and mental ills In *The Christ Within* first published in 1925 Lillian De Waters provides a poetic and persuasive argument for the thesis that the power to heal oneself lies within the individual and is a matter sometimes of mental effort and sometimes of spiritual effort And while health generally connotes physical soundness De Waters addresses a more holistic view arguing that the way to peace of mind body and soul lies through the glorious embrace of Christ American spiritual thinker LILLIAN DE WATERS b 1883 was one of the first students of Christian Science eventually breaking off on her own to stress the inseparability of Jesus Christ and the primary divine force thereby falling between Christian Science and Orthodox Christianity She is also the author of *The Hidden Truth* and *The Great Answer the Message of Ontology* **In His Name** Lillian DeWaters, 2014-11-26 In this book *In His Name* the author brings the highest language that she knows The highest practice is the science of Intelligence wherein that which is is known to be all there is and that which is not is known to be nothing As the science of the mentality called the art of right thinking is above and beyond the science of the body called physiology so the science of Intelligence is above and beyond the science of mind or right thinking and this book is written in His name the name of Truth that immortals may drink with me of the river of the water of Life Truth establishes you and holds you forever what you are Rise then in your own name which is His name for there is none other name whereby you shall know emancipation In His Name the name of Truth behold

yourself as you are perceive Truth as Truth is Then will you find yourself in the land of peace and wholeness and in the world of joy and delight Lillian DeWaters **The One** Lillian DeWaters,2014-07-26 This book includes a marvelous message of the Absolute teaching and each chapter assists the reader to move beyond a mental level of knowing Truth to one of an experience of Truth the Eternal which is within your very being right now The Absolute teaching is about recognizing that the Eternal Self does not need improving or healing or illumination and has been waiting to be recognized by each person Every page unveils insights and leads to epiphanies and greater wisdom and vision The book is a divine gift and could be considered a complete teaching which includes the principles and all that is necessary for those who have prepared to rise into an entirely new state of being in the world which is that of Oneness of Truth With the realization of Oneness there comes an inner assurance that whatever is necessary in the nature of finances health or relationships will be provided without struggling to attain them As the author has said One studies Truth that he may experience uninterrupted harmony that he may enjoy absolute freedom that he may clearly perceive the nothingness of all dreams of sin sickness and death and demonstrate continual peace joy and harmony The Voice of Revelation Lillian DeWaters,2014-05-21 For those who are serious seekers this book s summary is intended to inform you of the enormous opportunity that exists through Lillian DeWaters writings The Voice of Revelation is the last of over 30 significant books by this author and most of them reveal teachings from The Absolute In this book she has unveiled the hidden mystical principles which are so essential for reaching and more importantly for sustaining an awakening experience She gives viable principles to live by which were actually revealed by Christ Jesus and yet are still very little understood by most people today For the person who is serious and ready to live in and as an enlightened state of being in the world this book will be recognized as a vital source of Truth that is difficult to put down Every page reveals precious gems as the author shares her experiences and unfoldments Through the study of this book there will likely be a growing conviction that it is possible right now to live an awakened life This is actually your destiny and not something you will need to wait for to experience in a future lifetime The only caveat is that you must know these principles and then actually live them This is the entire purpose of the book to provide you with a clear understanding of everything necessary for you to have the experience in this lifetime It would be to understand how to live without need of healing to be ever conscious of wholeness completeness happiness and abundance Lillian DeWaters The Voice of Revelation Light of the Eternal Lillian Dewaters,2014-07-04 From the first page to the last Light of the Eternal reveals the Truth about every person s real identity and the enormous opportunities available right now to those who accept this Truth The author makes it clear that the mortal existence with all of its limitations and problems can be risen above This higher state of being I Am That I Am is our destiny and she shares how this may be accomplished in the world Much more than just being the title for this book Light of the Eternal is an experience Throughout the book the author reveals the option to accept the Light of the Eternal as our destiny which has been waiting for everyone who is ready to receive it In a sense the

message of the book is a divine invitation and it is priceless The way of life being presented to everyone as a choice cannot be described or compared to what is thought of as human existence The experience of this new life is one of beauty love purity and is to a great extent free of the discords lack and battles of good and evil The book reveals the way to this existence comes only through the heart With the heart one loves the Real as It is Light pervades his whole existence He walks in the kingdom of the Self where freedom love and bliss forever abide Lillian DeWaters *India's Gracious Gift To Mankind*
