A Father's Guide for Life Jack Countryman,2008-04-29 A father s best guide for life is found in God s Word To meet the challenges of fatherhood every father needs help from the heavenly Father The scriptures and insights within this book will help the fathers connect with the One who will be with them and their family every step of the way **God Guides** Simon

Fathers play the most influential role in the stability and future success of their children Yet so many times children are left to grow up fatherless In *Life Without the Father* Clyde Stewart recounts his experiences as a young black man growing up without a father When he found himself as a teenager with a child he had to make a choice perpetuate the cycle or break free *Life Without the Father* is written to guide men into success as they choose to fulfill their responsibilities as fathers With common sense and spiritual insight Clyde navigates the issues that fathers deal with and leads them to a place where they can see the vast importance of their role in this world He reveals how God s divine purpose has been to entrust the seed of humanity with men and that the blessings of the harvest are only possible through obedience to that calling God has not called fathers in vain however because he has given them the power of his Holy Spirit so that they can accomplish and receive the blessings set before them For those struggling with fatherhood learn to see the true greatness and potential of a solid relationship with your child For those that feel they have nothing to offer find the special calling of God that he has only given to you *God Guides* Rev. Jack R. Baumgarn,2021-07-30 Rev Jack R Baumgarn was a biblical preacher teacher evangelist and counselor He feels his help from God and his guidance with his Word will help pastors and laypeople in their walk with the Lord He strongly believes that whatever happens to a person in life God can and will guide a person in life
