 Literacy as Resistance* Laraine Wallowitz,2008 Critical Literacy as Resistance is a collaborate effort among secondary and
 university educators from across the United States that addresses questions such as What does a critical literacy classroom
 look like What various texts are used What strategies do teachers use to encourage students and teacher candidates to
 recognize how texts construct power and privilege How do educators inspire activism in and out of the classroom This book
 documents the experiences of scholars and teachers who have successfully bridged theory and practice by applying critical
 literacy into their respective content areas The authors spell out the difference between critical thinking and critical literacy
 then show how to write and implement curriculum that incorporates diverse texts and multiple literacies in all content areas
 including world language and includes the voices of students as they confront issues of race class gender and power The
 principles and practices laid out here will help teachers use literacy to liberate and empower students both in and outside the
 classroom by respecting and studying the literacies students bring to school while simultaneously teaching and challenging
 the literacies of those in power This is a book for pre and in service teachers in all content areas staff developers secondary
