

I laugh whenever I look at this pic. My boyfriend totally feminized and looking so uneasy. Here we are about to go to lunch after his first makeover. Notice that I'm wearing pants but I made him wear a skirt & heels so that sHe would feel vulnerable and exposed all day long!

Transgender Care Gianna E. Israel, 1997 By empowering clients to be well informed medical consumers and by delivering care providers from the straitjacket of inadequate diagnostic standards and stereotypes this book sets out to transform the nature of transgender care In an accessible style the authors discuss the key mental health issues with much attention to the vexed relationship between professionals and clients They propose a new professional role that of Gender Specialist Chapters 3 4 and 5 provide definitive information in the context of consulting health professionals on hormone administration aesthetic surgery and genital reassignment surgery Chapter 6 takes up the little examined issue of HIV and AIDS among transgender people There is also a chapter devoted to issues of transgender people of color as well as a chapter on transgender adolescents The book contains a wealth of practical information and accounts of people s

experiences about coming out to one's employer or to one's friends or spouse. The second part of the book consists of thirteen essays on a range of controversial topics. They include three personal stories of transgender life, one essay on the new academic field of Transgender Studies, two essays on legal rights, three essays on medical issues, and two essays on the origins and possible resolution of the conflicts between therapist and client. The authors have also provided useful listings of organizations, centers, and Web sites. The book has been reviewed by a national committee of professionals and consumers, some of whose members have contributed the essays in the second part of the book.

Shakespeare and History Stephen Orgel, Sean Wilentz, 1999. Shakespeare has never been more ubiquitous, not only on the stage and in academic writing, but in film, video, and the popular press. On television, he advertises everything from cars to fast food. His birthplace, the tiny Warwickshire village of Stratford-upon-Avon, has been transformed into a theme park of staggering commercialism, and the New Globe in its second season is already a far bigger business than the old Globe could ever have hoped to be. If popular culture cannot do without Shakespeare, continually reinventing him and reimagining his drama and his life, neither can the critical and scholarly world, for which Shakespeare has for more than two centuries served as the central text for analysis and explication, the foundation of the western literary canon, and the measure of literary excellence. The Shakespeare the essays collected in these volumes reveal is fully as multifarious as the Shakespeare of theme parks, movies, and television. Indeed, it is part of the continuing reinvention of Shakespeare. The essays are drawn for the most part from work done in the past three decades, though a few essential enabling essays from an earlier period have been included. They not only chart the directions taken by Shakespeare studies in the recent past, but they serve to indicate the enormous and continuing vitality of the enterprise and the extent to which Shakespeare has become a metonym for literary and artistic endeavor generally.

CrossDressing Husband Caught & Punished Angelica Marie Gossett, 2019-09-30. It was shortly after they were married that Diane began to suspect that her husband, Stephen, was a crossdresser who was wearing her clothes. Well, if he had a secret, he would no doubt deny it. She decided to document his secret escapades. First, if he wanted to dress as a girl, he should have sex as a girl. But given his being secretly recorded in her pretty pink bridal nightgown, it gave Diane an idea. Her husband had some traditional ideas. So his 1st time being made to have sex as a girl should be special. Special occasions should have a special dress. What better than a long, formal, feminine bridal gown for her husband to wear before his 1st time?

So Diane developed an elaborate plan to force feminize her husband publically expose him dressed as a girl and then prepare him for his bridal gown Warning Don t let your wife or girlfriend learn of Diane s plan because it was perfect Stephen truly had no option but to be dressed in public as a girl to begin the day You also will wind up having no choice either if anybody does to you what Diane did to Stephen Brides need to have their makeup done They need to have help dressing in their bridal gown They need to have bridesmaid and maids of honor They need to have their pictures taken They need to have a new name All of this prior to the formal presentation and introduction to their spouse Diane was going to make sure Stephen got the full complete total treatment Then of course the bridal night The mythical first time she has sex Well Stephen was going to get the full treatment here also Punishment enema plus punishment oral sex punishment anal sex forced consumption bondage whips and cock torture But the psychological punishment would be equally as bad with suggestions and elements of cuckolding and forced bi to demean and shame her husband As the evening progressed Diane and her family learned even more of Stephen s secrets Diane already had a plan to make Stephen s mother an unwilling participant in the bridal weekend But now those plans would change His mother would have a much more expanded and permanent role Stephen s crossdressing was always a family affair from the very beginning Now it would be a much larger family affair It was time to complete what had been started years before he met Diane Of course your author on her cover image is wearing a dress that matches the story
