Krishnan, 2002 This Manual Is Meant For Nursing Students Pg Students And Practising Neonatologists It Is A Must Buy For All Maternity Nursing Homes And Hospitals The Book Gives Valuable Step By Step Tips On Handling Neonatal Emergencies And In Otherwise Managing The Running Of The Neonatal Care Unit In Hospitals And Nursing Homes Special Features Book Is Divided Into Five Sections General Principles Problems Procedures Diseases And Drugs Valuable Tips And Explanations Of Common Procedures Suited To Indian Context All Recommendations Are Made Keeping In Mind The Condition Of Nursing Homes In Developing Countries Comprehensively Illustrated Illustrations Enhance Understanding Of Text **Universities Handbook**, 2014 Anchor India 2014 Biju Mathew, India bounded by the majestic Himalayan ranges in the North and edged by an endless stretch of golden beaches is the land of hoary tradition and cultural diverse Vivid kaleidoscope of landscapes glorious historical sites and royal cities misty mountain hideaways colourful people rich civilizations and festivities craft India Incredible The delightful South India where Indian heritage is more intact has much to offer to this ancient tradition In the modern age man wanted to move around as he wanted to see places which had been alien to him hitherto India is one of the prime places to fulfill the natural instinct of man to move from one place to another and get unperturbed Now he is exploring places not only for satiating his thirst for seeing newer lands alone but people travel across the globe in search of health destinations as well With the most sought after professionals and excellent network of hospitals India is becoming the very hot medical tourism destination in the world As in the magnificent past nowadays India is extremely renowned for its coir coconut marine resources tea and coffee The financial institutions are playing an important role in the growth of the country This great historical soil turns out to be an abode of investment The prime place is specified to real estate Real estate is akin to a gold mine In times of misery it will yield gold And we are equipped for you with some illuminations which enhance her significance in the world map Anchor India depicts the most vibrant Indian scenario of medical tourism banks coir coconut coffee tea marine resources space making and space makers along with amazing tourism maturity of the country Indian Sisters Madelaine Healey, 2014-08-07 Health and medicine cannot be understood without considering the role of nurses both as professionals and as working women In India unlike other countries nurses have suffered an exceptional degree of neglect at the hands of state a situation that has been detrimental to the quality of both rural and urban health care Charting the history of the development of nursing in India over 100 years Indian Sisters examines the reasons why nurses have so consistently been sidelined and excluded from health care governance and policymaking The book challenges the routine suggestion that nursing s poor status is mainly attributable to socio cultural

factors such as caste limitations on female mobility and social taboos It argues instead that many of its problems are due to an under achieved relationship between a patriarchal state on the one hand and weak professional nursing organisations shaped by their colonial roots on the other It also explores how the recent phenomenon of large scale emigration of nurses to the West leading to better pay working conditions and career prospects has transformed the profession lifting its status dramatically At the same time it raises questions about the implications of emigration for the fate of health care system in India An important contribution to the growing academic genre of nursing history the book is essential reading for scholars and students of health care the history of medicine gender and women s studies sociology and migration studies It will also be useful to policymakers and health professionals
