

THE MARIJUANA BUSINESS AND OPERATIONS GUIDE (Starting, Growing, and Going Public)

This is the only book you'll ever need to get your medical or recreational marijuana business off the ground!

Too many "consultants" have sold many unwitting people business plans, operations guides, and other vanilla formatted marijuana business plans and information to hopefully help them win dispensary and cultivation licenses.

Rather than spending tens of thousands of dollars for a number of different "industry experts", now is the time to use the most current information, pre-packaged in a format that can be easily tailored for any state. No more hunting for specific pieces – they are all here under one cover!

This book is a complete guide to getting in on the ground floor of the explosive cannabis industry. Instead of looking for a team to help you assemble the necessary information to be able to apply, it's all in here – 348 pages of it.
