### Critical Thinking

Students read, analyze, and give answers to questions about these:

1. **What are the similarities and differences between developed and developing countries?**

	Developed Countries	Developing Countries	Similarities	Differences	Population Trends
Developed	High income, stable population, high life expectancy, high technological development.	Lower income, growing population, lower life expectancy, lower technological development.	Both are part of the world's population.	Developed countries have higher per capita income.	Developed countries have a declining population.
Developing	Lower income, growing population, lower life expectancy, lower technological development.	Higher income, stable population, high life expectancy, high technological development.	Both are part of the world's population.	Developing countries have lower per capita income.	Developing countries have a growing population.
