Congress. Senate. Committee on Labor and Public Welfare, 1966 **The Unofficial Guide to Planning Your Wedding** Eileen Livers, 1999-02-22 Readers getting married for the first time or the second or even third time are absolutely inundated with information They want a unique wedding but they can t afford to spend that kind of money They want to please their families but not at the expense of pleasing themselves They have questions upon questions but they don t want a rehash of the same old information They expect and deserve inside advice from brides who have been there Enter The Unofficial Guide to Planning Your Wedding By teaching readers to sit down and focus on the kind of wedding they want it allows them to come through the event with their sanity and their pocketbooks intact The practical tools and checklists detail what to expect to spend on the caterer the florist the photographer etc as well as how to handle such sticky situations as intermarriages divorced parents and family feuds And best of all it reminds readers about the elements of a truly unique wedding **The Best Wedding Ever** Diane Warner, 1996 Answers 100 of the most commonly asked questions about planning etiquette and budgeting a wedding from announcing the engagement and choosing a ring to selecting a site and wording the invitation **Mixed-Up Love** Jon M. Sweeney, Michal Woll, 2013-10-15 Dating commitment kids and family it s all hard work and when you come from different religious backgrounds it s even harder Jon a Catholic writer and Michal a Reconstructionist rabbi live out the challenges of an interfaith relationship everyday as husband and wife and as parents to their daughter Sima who is being raised Jewish In MIXED UP LOVE the couple explores how interfaith relationships impact dating weddings holidays raising children and family functions and how to not just cope but thrive This is an engaging and practical resource for singles who are considering dating outside their own faith couples in interfaith relationships relatives and friends of mixed couples who seek information and understanding and parents desiring a fresh perspective With clarity insight and humor Sweeney and Woll demonstrate how to engage with

your partner family and faith like never before *Love, Joy, and Sex* Stan Chu Ilo, 2019-07-30 There is no papal document that has generated as much interest controversy and debate in recent times as Pope Francis's *Amoris Laetitia* This document which came out of two very divisive synods of Catholic bishops and leaders in Rome in 2014 and 2015 will probably be the most discussed document ever produced by a pope in modern Catholicism on marriage and family life This volume has gathered seminal commentaries on *Amoris Laetitia* by African Catholic theologians social scientists and pastoral workers They offer African theological and pastoral responses to the principles and practices proposed by Pope Francis and the Synod on the family on such contested issues as same sex relations divorce and remarriage and reception and denial of Holy Communion in the church among other divisive issues These important essays and commentaries show the strengths and weaknesses of this papal commentary and point out the missing link in the global conversation on marriage family and same sex relations Their argument for the inclusion of African perspectives and moral traditions in the search for a third way in finding an inclusive and integrated pastoral art of accompaniment is very compelling The authors here also call for the inclusion of Africa's own unique challenges like polygamy childless marriages and the impact of migration civil conflict diseases ecological and population crises and the rights of African women in the global discussion on marriage and family life They also challenge uncritical clichés in world Christianity that Africa's opposition to same sex marriages or Western propaganda about population or birth control and contraception are conservative while showing diverse African conversations on these topics in the search for abundant life on this beautiful continent
