Organizational Behavior O. Jeff Harris, Sandra J. Hartman, 2001 This text uses realistic case examples discussion questions and self tests to illustrate principles of workplace psychology Each chapter begins by posing a difficult work situation which may be a conflict a motivation problem or an issue of diversity then goes on to discuss principles and theories that apply to the case covering areas of ethics problem employees and organizational culture as well as neglected areas such as the physical atmosphere of the workplace the effects of new technologies on workers and workplace gossip Harris teaches management at the University of Louisiana Monroe Hartman at the University of New Orleans Annotation copyrighted by Book News Inc Portland OR The Strategist's Handbook Timothy Galpin, 2023-07-29 Strategy an ancient pursuit has

evolved through the centuries and in today's business environment applies to all organizations across all sectors and geographies. The Strategist's Handbook is a collection of the best materials, insights, tools, and templates that comprise the core Strategy course taught in the undergraduate MBA, Executive MBA, and Postgraduate Diploma programs at the Saïd Business School, University of Oxford. Each of the best practices, pitfalls to avoid, tools, and templates presented in this book has been field tested and refined for over three decades while working with for-profit, not-for-profit, and government organizations across multiple industries around the globe to help them develop and implement their strategies. The guidance and tools can be applied in small, mid-sized, and large organizations; their application just needs to be scaled accordingly. While this is a practical how-to book, the tools and approaches presented are based on a solid foundation of well-established theory and extensive research that is also highlighted within each chapter. The contents can benefit those new to strategy as well as seasoned strategy professionals, current and aspiring senior managers, middle and front-line managers, functional experts, and strategy consultants.
