

8.2.4 Unisa study guides

Avoid using study guides as the main or only sources for assignments. If you cannot avoid it in certain instances, remember to acknowledge it.

In general, the corporate author, the University of South Africa, including name of the department, is used as the entry element. The compiler was seldom included in the older study guides. Later study guides do contain the name of the author or compiler and such guides are entered under the author or compiler.

Study guides entered under the corporate author needs a cross reference in the list of sources, linking the shortened form of the text reference to its full bibliographic entry.
