

Eagle Scout Recommendation Letter

To Whom It May Concern,

It is a source of great pride and joy to compose this Eagle Scout letter of recommendation my dear friend Mark Sheridan. I have known Mr. Sheridan for the past seven years, as he is a good friend of my nephew in school and we live in the same neighborhood.

Mr. Sheridan is a reputable, reliable and trustworthy person, as evidenced by the manner in which he lives his life. He carries out his daily activities diligently and with such honesty and takes pride in his work. He is known as a man of his word; a person of integrity. Mr. Sheridan is not one to turn his back on a neighbor in need.

I believe that he is an eligible candidate for an Eagle Scout since he lives his life in accordance with the principles set by the Eagle Scout.

Rest assured that the contents of this letter was kept strictly confidential and created for the eyes only of the members of the Eagle Scout Board of Review. Neither are the contents of the letter discussed with the candidate before or after the time that of completion.

Sincerely,

Mr. George Florsheim

Our Frontier Is the World Mischa Honeck, 2018-05-15 Mischa Honeck's *Our Frontier Is the World* is a provocative account of how the Boy Scouts echoed and enabled American global expansion in the twentieth century. The Boy Scouts of America (BSA) has long been a standard bearer for national identity. The core values of the organization have since its founding in 1910 shaped what it means to be an American boy and man. As Honeck shows, those masculine values had implications that extended far beyond the borders of the United States. Writing the global back into the history of one of the country's largest youth organizations, *Our Frontier Is the World* details how the BSA operated as a vehicle of empire from the Progressive Era up to the countercultural moment of the 1960s. American boys and men wearing the Scout uniform never simply hiked local trails to citizenship; they forged ties with their international peers camped in foreign lands and started troops on overseas military bases. Scouts traveled to Africa and even sailed to icy Antarctica hoisting the American flag and standing as models of loyalty, obedience, and bravery. Through scouting, America's complex engagements with the world were presented as honorable and playful masculine adventures abroad. Innocent fun and earnest commitment to doing a good turn of course were not the whole story. Honeck argues that the good-natured Boy Scout was a ready means for soft power abroad and gentle influence where American values and democratic capitalism were at stake. In other instances, the BSA provided a pleasant cover for imperial interventions that required coercion and violence. At Scouting's global frontiers, the stern expression of empire often lurked behind the smile of a boy.

Worth Writing About Jake Wizner, 2023-10-10 Who am I? This is the question that many adolescents ask during the turbulent middle and high school years. In *Worth Writing About: Exploring Memoir with Adolescents*, Jake Wizner addresses how searching for the answer to this question leads his students to reflection, to reading, and ultimately to deeper, more meaningful writing. Wizner, a 20-year teaching veteran, believes that a well-designed memoir unit not only aligns with the Common Core State Standards but also forges community in the classroom, encourages kids to read nonfiction, and works wonders with students who struggle with their writing or with their lives. *Worth Writing About* addresses the most common challenges teachers face when teaching memoir writing: How do you help students who say that nothing interesting has happened in their lives? How do you help students balance what is meaningful with what is too personal to share? How do you help students overcome the "I don't remember" syndrome? Wizner delves into the craft of writing, from using mentor texts to crafting leads and memorable endings. He uses student models from his own classroom to show the deep, important work his students produce during the memoir unit. By writing about themselves and how they view the

world around them students discover more about themselves and how they want to move forward in the future
