Analysis Paper Example

Message body Reasoning and Analysis Paper Assignmentâ€”CMS 11, Sec. 8531 This assignment is a reasoning and analysis paper. What you have to do is to select one of the two movies listed below, and then develop a paper in which you analyze how both the halo effect (or the reverse halo effect) and the thesis expressed in Prof. Comila Shahani-Denningâ€™s article are reflected in the movie. Be aware that the halo effect is not always about physical appearance. Also, although the halo effect and Shahani-Denningâ€™s thesis may seem similar, they are not identical and should not be treated as one idea in your paper.

What You Have to Do Prepare for this Assignment 1. Read the following article: Shahani-Denning, Comila. â€œPhysical Attractiveness Bias in Hiring: What is Beautiful is Good.â€ Hofstra Horizons (Spring 2003): 15-18. (note: I found this article by googling the title.) 2. Watch The Devil Wears Prada (2006) or Broadcast News (1987). 3. Write a 3/12 to 4 page paper (plus a works cited page; Times New Roman, 12 point font; double spaced) in which you answer the following question:

How do the halo effect (or the reverse halo effect) and Shahani-Denningâ€™s thesis apply to the assumptions and behaviors of the characters in the film as well as to your personal experience or to todayâ€™s popular culture? A good paper will accomplish all of the following (although not necessarily in the order listed): 1. Correctly identify the assigned articleâ€™s thesis and provide a concise, effective summary of the article that cites two or more supporting examples from the article. (Note: this may take you approximately one page); be sure to include in-text citations in MLA when you cite the article in your paper. . Explain how the articleâ€™s thesis relates to the movie. (Note be very specific when you relate the articleâ€™s thesis to the movie; use specific examples from the movie; be sure to cite the movie in your paper using MLA format, as well). 3. Explain what the halo effect (or the reverse halo effect) is and how it affects perception. (Note: you may use the definition from your textbook for the halo effect; be sure to cite your text if you doâ€”this applies whether to use a direct quotation or paraphrase what the text says). 4. Explain how the halo effect (or the reverse halo effect) is depicted in the film. Again, be specific; each example needs to be described and cited). 5. Explain how the halo effect or Shahani-Denningâ€™s thesis relates to a personal experience or to popular culture. (Note: popular culture means anything that has a wide popular appeal; forms of entertainment such as popular tv shows, music media, even the evening news are all part of the popular culture in the US). 6. Follow MLA guidelines for paper format and citation format (including in-text citations and a final works cited page). The final draft is due Saturday, Dec. rd (The weekend following the Thanksgiving break). Please Note: Late papers will not be accept
