*False Dawn* Lee Penn, 2004 The interfaith movement which began with the 1893 World s Parliament of Religions in Chicago has grown worldwide Although this movement has been largely unknown to the public it now provides a spiritual face for globalization the economic and political forces leading us all from nationalism to One World The most ambitious organization in today s interfaith movement is the United Religions Initiative URI founded by William Swing the Episcopal Bishop of California Investigative reporter Lee Penn a Catholic ex Marxist exhaustively documents the history and beliefs of the URI and its New Age and globalist allies the vested interests that support these movements and the direction they appear to be taking The interfaith movement is no longer merely the province of a coterie of little heeded religious idealists with grandiose visions The URI s proponents have ranged from billionaire George Soros to President George W Bush from the far right Rev Sun Myung Moon to the liberal Catholic theologian Hans K ng and from the Dalai Lama to the leaders of government approved Protestant churches in the People s Republic of China The interfaith movement including the URI is being promoted by globalist and New Age reformers who favor erosion of national sovereignty marginalization of traditional religions establishment of global governance and creation of a new Earth based global spirituality in effect a one world religion Therefore the URI and the interfaith movement are poised to become the spiritual foundation of the New World Order the new civilization now proposed by Mikhail Gorbachev the last leader of the Soviet Union In *The Reign of Quantity and the Signs of the Times* French metaphysician Ren Gu non spoke of the anti tradition the forces of materialism and secular humanism finally giving way to the counter tradition the satanic inversion of true spirituality leading to the regime of Antichrist The anti tradition weakens and dissolves traditional spiritualities after which the counter tradition sets up a counterfeit in their place Since Gu non s time as is well known anti traditional forces have greatly advanced worldwide It is less well known that counter traditional movements have also made great strides and now stand closer to the centers of global political and religious power than ever before The counter tradition is making inroads on the political and cultural Right as much as it is doing on the Left *False Dawn* painstakingly documents these trends and speculates on their future development In so doing the author takes investigative reporting to the threshold of prophecy and gives us a stunningly plausible picture of the global religious landscape of the 21st century This extraordinary project is the literary equivalent of turning over a flat rock There is much to be seen and learned here all of it unsettling disquieting occasionally downright scary William Murchison Radford Distinguished Professor Baylor University When a bishop of a Christian church happily worships alongside a Wiccan invoking other gods something has gone horribly wrong In *False Dawn*

Lee Penn has produced a comprehensive and critical history of the United Religions Initiative This book sounds a clear warning Anyone who makes theological truth subservient to utopianism denigrates all religions Douglas LeBlanc Editor GetReligion org Armageddon Grant R. Jeffrey,2009-02-04 As the world rushed toward the new millennium many were asking Is the Year 2000 significant in the plan of God Are we the generation that will see the return of Christ Will Israel actually rebuild the Temple Why are the Arabs willing to go to war over Jerusalem Why are the nations arming for Armageddon Grant R Jeffrey has thoroughly revised and expanded his prophetic best selling book Armageddon with more than eighty pages of incredible research that will give you the real story behind the fast breaking news from Washington Europe and the Middle East Over half a million readers enjoyed the first edition Now for the rest of the story This book will challenge you with its unique discovery that virtually every major event in the history of Israel has occurred on the anniversary of Feast of the Passover Pentecost Feast of Tabernacles etc Discover the mysterious role of the ark of the covenant in Israel s past and its role in the rebuilding of the temple in our day Explore powerful prophecies that prove that Jesus is the Messiah Twenty prophetic signs warn our generation to prepare for the glorious return of Jesus Christ

Armageddon Clive Ponting,2012-02-29 Fifty years after the end of World War II Clive Ponting provides a major reassessment of the most destructive conflict in human history one in which 85 million people died Armageddon avoids conventional chronological accounts in order to concentrate on the deeper forces shaping the origins course and outcome of the war across the globe It analyses how and why the war spread from being a limited European conflict to the only global war why countries were dragged into the fighting and how only a small number of neutral states escaped It compares the two alliances how they mobilized their resources and their strategies for victory It avoids a detailed description of how commanders maneuvered on the battlefield and concentrates instead on the impact the war had on individual soldiers sailors and airmen Equally important is the fate of hundreds of millions of civilians How did they survive occupation and what did resistance collaboration and liberation really involve and what happened at the end of the war Armageddon has a truly global sweep combined with an eye for detail and provides fascinating comparisons from a multi faceted war It contains new facts asks provocative questions and challenges many of the common assumptions about the war It is a compelling new inquiry

**Expecting Armageddon** Jon R. Stone, 2011 The expectation of an end to time and the yearning for a millennial paradise have been recurring themes in Western religious thought But when we speak of expectation of the world s end we are mindful of the fact that generation after generation of millenarians have been disappointed Their endtime hopes and prophecies have not come true What happens one might ask when prophecies fail Does failure spell the end of the very movements that embrace such expectations The aim of this anthology is to gather together in one volume the essential research from the fields of sociology and ps

*The Contender Vol. 7 No. 5* Rev. Raymond Jackson, 1975-07-15 Today we are approaching a subject about which for years I searched for the answer tried to link together certain verses of scripture in the Book of Revelation How often we read over something never once laying any importance on some certain word such as woe when that may be the very word which holds the key to unlock the hidden mystery The word WOE found in Rev 8 12 13 under the fourth trumpet certainly has no reference to the term Whoa used in the sense of stopping a team of horses No On the contrary Webster s Dictionary defines WOE as relating to extreme sorrow to extreme grief As a matter of fact WOE used here indicates to be immersed covered in grief or sorrow

Armageddon, Close Encounters in the Fifth Kind Frederick Guttman, C mo cambiar a nuestra forma de ver el mundo si nos plante semos que todos los estamentos de la sociedad ser n pronto abolidos Ver amos la vida de la misma forma si di ramos lugar a la idea de que nuestra historia ha estado ligada a influencias que no son de este mundo Armaged n Encuentros Cercanos en la Quinta Fase es una obra que no pasar desapercibida mucho menos delante de los acontecimientos que est n ocurriendo aunque el mundo no est al tanto de ellos porque est siendo distra do Hablamos de un cambio a escala planetaria en la conciencia humana y del sistema de vida que tenemos el destape de grandes y sumamente relevantes

mentiras que han mantenido engañado al hombre del siglo XXI y así mismo el inicio de una existencia libre si lo posible tras una guerra sin precedentes. Nuestro mundo está a punto de tener los cambios más significativos de toda la historia humana desde que se tiene constancia de ella. La vida extraterrestre es una realidad tal como lo es el hecho de que sabremos toda la verdad sobre la vida fuera de la Tierra y los misterios del universo en esta década. El Nuevo Orden Mundial del cual pocos han oído hablar a estas alturas y con el terreno ya ganado por esos psicopatas en todos los medios globales no conseguir sus fines de eliminación poblacional y control totalitario aunque conseguirán por un periodo muy breve de tiempo muchas de sus agendas. Toda la humanidad está al borde de un cambio de paradigma no sin antes presenciar la experiencia de la vida extraterrestre inteligente, un mundo dominado por las corporaciones dueños de la banca y de los oleoductos. Entonces el cambio será radical y no dejará lugar a dudas a más cuestionamientos, suposiciones o teorías sobre el origen del hombre y de la vida fuera de nuestro orbe azul de igual modo que no habrá más medias tintas sobre el conocimiento y realidad de la existencia de Jesucristo, no como una religión sino como una realidad. Esta será una verdad inamovible que no está sujeta ni nunca lo ha estado a religiones ni a dogmas ni a espiritualismo ni a teorías conspiratorias ni a ciencia ficción ni a fábulas ni a cualquier otra creencia abstracta sino al modernismo de esta centuria y a la revolución mundial que hoy nos atañe. Parece difícil reconciliar la imagen de aquel carpintero que fue clavado en una cruz junto con la ciencia pero recordemos que los estamentos religiosos que conocemos son relativamente recientes y no fueron impuestos por Jesucristo. Sus enseñanzas aparecieron sobre el 26 y o el 33 d C, aproximadamente. En cambio las posteriores fueron ciertamente tardías: Catolicismo 325 d C, Islam 600 d C, Protestantismo inicios del siglo XIV, Mormonismo mediados de 1800 d C, Testigos de Jehová 1870 etc. En otras palabras las enseñanzas de Jesús no estuvieron sujetas a religiones cristianas ya que estas se crearon en nombre de los siglos después, mayormente con fines lucrativos o de control de masas. Tengamos presente antes que nada que todas las profecías que han venido de parte de Dios hasta su momento se han cumplido y nada sugiere que las que aún han de cumplirse dejen de tener lugar mucho menos cuando estamos viviendo las concisas advertencias que hicieron hombres modelo en tiempos antiguos y además con lujo de detalles. Así que tenemos que citar a hombres de otrora para ver cómo se han dado los hechos que anunciaron y qué otros acontecimientos han de tener lugar en nuestra década y en los años que precederán nuestra era. Ciertamente cada vez podemos ver más cerca un final de esta edad y el inicio de una nueva historia para la civilización humana. Un cambio que se palpa y comenta en todos los círculos sociales y culturales. Este cambio viene acompañado de mucha incertidumbre, dudas sobre cómo será ese desenlace final y qué ocurrirá después de ello. La historia de nuestra raza se ha visto constantemente salpicada por grandes extinciones donde nuestros antepasados han sido diezmados, eliminados tícitamente por sucesos catastróficos que han dado origen a nuevas eras. Así se ha visto en lejanas edades desde la prehistoria y así se ve hoy muy próximos a experimentar eventos nunca antes vistos en ninguna etapa anterior de nuestro devenir como civilización. Como hijos de la Tierra hemos de conocer los hechos que han modelado nuestro presente y que han colocado a

nuestra raza en el borde del colapso y de la aparente auto extinción Tenemos que ser conscientes de que tal como la arqueología nos sirve para revelar los acontecimientos de antaño también han existido desde otrora muchos para vaticinar el tiempo por venir y estos han marcado hechos memorables en el registro histórico Nosotros los llamamos profecías y si bien desde tiempos de la Grecia clásica los helenos consultaban el polímico oráculo de Delfos el que se creía era el más preciso de todos aunque se especula que alguna vez se equivocó más bien diríamos que dijo lo que sus consultores debían saber The Ever War Elder Conrad Jarrell,2015-08-23 The King James Bible teaches that God created the entire universe in Six Days that all the Holy Angels for they all still were sang together and shouted for joy and that God saw that Everything that He had made was very Good for it all still was Then the Seventh Day Everything changed save only God the Elect Holy Angels and their heavenly Abode This book is about Who and What and Why and How those Changes were made It is the Story of Life and Death Holiness and Sin Heaven and Hell Angels and Demons The Seed of The Woman and The The Seed of The Serpent It is the Story of the single Throne of God and of many Unidentified Flying Objects It is the Story of the Human Race and of Another Race which only looks human and of still Others which don't at all It is the Story of an Innocent Man Who died on a Cross and rose to be Lord on the Throne of Heaven and of a Guilty Cherub who fell from Glory and will rot forever in a Lake of Fire This book is The Story of The Ever War **All Power to the Lamb** James R. Johnson,2011-04 If you were God writing a book you wanted men to understand would you write it in such a way that men would have to make up meaning in order to understand it or would you write it in such a way that those that seek to understand could actually come to a knowledge of its truth Mt 7:7 The present commentary takes the position that God wrote Revelation such that with sufficient effort and intellectual honesty readers can understand it Certainly God uses symbols in Revelation but when He does He provides inspired interpretations of the symbols This commentary seeks to avoid the mistakes of the views that use the symbolical approach to Revelation preterist continuous historical spiritualist and idealist These approaches suffer from two basic flaws assuming the text is symbolical when it is not and making up meaning regarding the text based on stream of consciousness word association much as one would do looking at Rorschach inkblots This commentary seeks to avoid telling God what He should have said and strives to understand what God actually meant Of all the existing approaches to understanding Revelation this commentary is most closely aligned with the dispensationalist premillennialist Left Behind view in that it views Revelation from a literalist perspective It is different from the typical dispensationalist schema in that it views the seven seals as the powers of the Lamb understands the exercise of the powers of the seven seals to be simultaneous processes and casts chapters 8-22 as three parallel prophecies of the Lamb's power over the course of the histories of Israel the nations and the saints This commentary also makes use of many of the non canonical works that provide insight into the spirit world and detail regarding the end of the present age Congressional Record United States Congress,1972 The Congressional Record is the official record of the proceedings and debates of the United States Congress

It is published daily when Congress is in session The Congressional Record began publication in 1873 Debates for sessions prior to 1873 are recorded in The Debates and Proceedings in the Congress of the United States 1789 1824 the Register of Debates in Congress 1824 1837 and the Congressional Globe 1833 1873     *The New Statesman* ,1919     Domestic Bible. **Theological Explanation of State of Church, Nations, and the Cosmos at End Times** Plammoottil V. Cherian Ph. D,2024-06-05 From a thorough understanding of the human history from a Biblical perspective and knowledge in science and theology author Plammoottil Cherian elucidates a vivid picture of the current state of the Christendom under the power of secularism atheism and apostasy in a confused and chaotic world The Church is at the crossroads of confusion losing its power in spreading the Gospel at a time when it is most needed The Book in five separate parts describes Who is true God the foundation of Church and God s religion What the mission of the Church is Church and nations are living in an Age of Delusion and a generation of compromised Christians Apostacy is on the rise and Church without Christ like in Laodicea Global Unhappiness because God is on the sidelines There is perfect harmony between science and Christian faith The world has been experiencing the bowls of wrath of God Nations morally deteriorate by the spiritual blindness of leaders of Church and State Humanity has been experiencing the hoofbeats of the four horses in the Book of Revelation The nations and Church are in the state of Mene Mene Tekel Upharsin The Babylons of the world nations are about to fall unless aligned with God The Grace Age is ending soon as scientific evidence proves the Biblical prophecies The pressing need of the Church is to prepare believers for Christ s Second Coming As a scientists and theologian Dr Cherian analyzes the present world culture and explains the Biblical prophecies that we are at the threshold of Church that lost the faith and calls church and nation s leaders to realign with God for his guidance and continued blessings     Jerusalem Besieged Eric H.
