The Frank Peretti Collection Frank E. Peretti, 2015-06-16 Now available in one volume three thrillers from Frank Peretti The Oath An ancient sin A long forgotten oath A town with a deadly secret Something evil is at work in Hyde River an isolated mining town in the mountains of the Pacific Northwest Under the cover of darkness a predator strikes without warning taking life in the most chilling and savage fashion The community of Hyde River watches in terror as residents suddenly vanish Yet the more locals are pressed for information the more they close ranks sworn to secrecy by their forefathers hidden sins Only when Hyde River's secrets are exposed is the true extent of the danger fully revealed What the town discovers is something far more deadly than anything they'd imagined Something that doesn't just stalk its victims but has the power to turn hearts black with decay as it slowly fills their souls with darkness The Visitation The sleepy eastern Washington wheat town of Antioch has become a gateway for the supernatural from sightings of angels and a weeping crucifix to a self-proclaimed prophet with an astounding message The national media and the curious all flock to the little town a great boon for local business but not for Travis Jordan The burned out former pastor has been trying to hide his past in Antioch Now the whole world is headed to his backyard to find the Messiah and in the process every spiritual assumption he has ever held will be challenged The startling secret behind this visitation ultimately pushes one man into a supernatural confrontation that has eternal consequences Monster Some monsters are real Miles away from the hectic city Reed and Rebecca hike into the beautiful Northwestern woods They are surrounded by gorgeous mountains waterfalls and hundreds of acres of unspoiled wilderness During their first night camping an unearthly wail pierces the calm of the forest Then something emerges from the dense woods Everything that follows is a blur to Reed except the unforgettable image of a huge creature carrying his wife into the darkness Enter into deep wilderness where the rules of civilization no longer apply A world where strange shadows lurk Where creatures long attributed to overactive imaginations and nightmares are the hunters and people are the hunted

Peretti, 2008-10-28 A mind bending supernatural thriller from the creators of *This Present Darkness* and *Sinner* Ted Dekker and Frank Peretti two of the most acclaimed writers of supernatural thrillers have joined forces for the first time with this non stop thrill ride Enter *House* where you ll find yourself thrown into a killer s deadly game in which the only way to win is to lose and the only way out is in One game Seven players Three rules Game ends at dawn **Peretti 2 in 1: Monster and The Visitation** Frank Peretti, 2009-02-27 *Monster and The Visitation* is authored by Frank Peretti and bundled into a 2 in 1 collection [Bowker's Guide to Characters in Fiction](#) ,2003 *God Gave Rock and Roll to You* Leah Payne, 2024-01-04 An entertaining history of the soundtrack of American evangelical Christianity Few things frightened conservative white Protestant parents of the 1950s and the 1960s more than thought of their children falling prey to the menace to Christendom known as rock and roll The raucous sounds of Elvis Presley and Little Richard seemed tailor made to destroy the faith of their young and in the process undermine the moral foundations of the United States Parents and pastors launched a crusade against rock music but they were fighting an uphill battle Salvation came in a most unlikely form Well maybe not that unlikely the long hair the beards the sandals but still a far cry from the buttoned up conservatism they were striving to preserve Yet when a revival swept through counterculture hippie communities of the West Coast in the 1960s and 1970s a new alternative emerged Known as the Jesus Movement and its members more colloquially as Jesus freaks the revival was short lived But by combining the rock and folk music of the counterculture with religious ideas and aims of conservative white evangelicals Jesus freaks and evangelical media moguls gave birth to an entire genre known as Contemporary Christian Music CCM By the 1980s and 1990s CCM had grown into a massive multimillion dollar industry Contemporary Christian artists were appearing on Top 40 radio and some most famously Amy Grant crossed over into the mainstream And yet today the industry is a shadow of what it once was In this book Leah Payne traces the history and trajectory of CCM in America and in the process demonstrates how the industry its artists and its fans shaped and continue to shape conservative mostly white evangelical Protestantism For many outside observers evangelical pop stars interpretive dancers puppeteers mimes and bodybuilders are silly expressions of kitsch Yet Payne argues that these cultural products were sources of power meaning and political activism Throughout she draws on in depth interviews with CCM journalists publishers producers and artists as well as archives sales and marketing data fan magazines merchandise everything that went into making CCM a thriving subculture Ultimately Payne argues CCM spurred evangelical activism in more potent and lasting ways than any particular doctrine denomination culture war or legislative agenda had before *Book Review Index*

,2004 Every 3rd issue is a quarterly cumulation The Wounded Spirit Frank Peretti,2000-11-13 If you've ever been there you've never forgotten The feeling is as haunting and familiar as the smell of a junior high school locker room It's the feeling of being undersized or oversized or klutzy or less than beautiful Of being a nerd or a geek or just somehow different It's knowing you are vulnerable and someone is ready and willing to take full advantage of your weakness by making your life miserable It's the fraternity you never wanted to join the fellowship of the wounded spirit And bestselling novelist Frank Peretti is a member too This book is the haunting true story of pain Frank Peretti never forgot but never until recently shared with the world It's the story of growing up with a medical condition that left him disfigured A series of surgeries and the slow miracle of answered prayer took care of the deformity but not the underdeveloped frame or the excruciating reality of being different And it was for these petty crimes that Peretti was prosecuted every day at school especially in gym class but also in the halls on the school grounds even in his own neighborhood No wonder he found himself relating to movie monsters who were hated but also feared and who eventually exacted a bloody revenge on their tormentors In Peretti's case deliverance eventually came through time through prayer through a teacher's caring intervention and his own willingness to seek help But he has never forgotten what life was like at the bottom of the junior high foodchain And from the reservoir of those agonizing memories he sends a compelling message to victims to bullies and to authorities who have the power to intervene that it's never OK for the strong to abuse the weak And that we allow such abuse at the expense of our souls and our very civilization Especially in the wake of the massacre at Columbine High School perpetuated by two troubled but also tormented outsiders this message takes on haunting resonance Frank Peretti believes we cannot afford to overlook the continuing reality of wounded spirits not only in our schools but in our homes churches and workplaces His approach is both tender and tough as he issues a ringing call for a change in attitude It's a call for all of us to stop thinking of abuse as normal even among kids It's a call for the strong to stand up and protect the weak not prey upon them It's a call for those in authority to pay attention to the violence being done to the vulnerable in the midst of our everyday lives and to take action to help Most of all it's a call for bullies and victims alike many of us are both to seek the healing and forgiveness offered in Jesus Christ For that healing is really the heart of this book the only reality that can break the natural cycle of victimization and abuse Only in Christ Peretti reminds is there hope for the wounded spirits but that hope is powerful enough to change everything
