**Achieving Prosperity** Todd Lipscomb, 2006-06 Towards the Death of Humanity is the endless demonstration of the disastrous side effects left on our environment on life on this planet on health and most of all on human dehumanization by a century of tremendous scientific and technological realizations and their material values It illustrates how these unhealthy side effects are highly linked to the hasty and thoughtless decisions of scientists intellectuals and governments to replace the humanities and the traditional methods of teaching with their own methods of science technology and their essentially material values Unfortunately totally deprived of the smallest bit of humanity this method of education has killed the rudiments of humanity acquired during the course of history has dehumanized the people their institutions and their societies These side effects originate in the age old desire of intellectuals and scientists to take hold of the power of religion over man and to satisfy their morbid need to build a new world re designed following Hegel belief that the matter is eternal and God

Although these ideologies have lost all their legitimacy today because science has recently demonstrated that the matter is not eternal scientists and intellectuals keep on teaching the falseness of their materialistic social system as if the logic of their reasoning were the only truth This work promotes certain guidelines that individuals must follow to make the lucid and effective compromises needed to try and solve these destructive problems affecting man and society before the end of History Be A Millionaire Next Year Michael R.
