

Step 5: Develop a plan

- Decide when and how you will try out your potential solution.
- Reach out for support and accountability if needed.
- Try it in a way that feels most comfortable and low risk, because this will increase the likelihood you will follow through with it.

Step 6: Carry out the plan

- If you are nervous, do something relaxing and confidence-building right beforehand.

Step 7: Decide if the plan worked

- Ask yourself, "How am I feeling now? Are my feelings about the situation better?"
- Did this solve the problem?
- Were the consequences mostly positive?

IF YES:

**Congratulations!
Problem solved!**

IF NO:

**Pick another
potential solution
to try and repeat
