Beermann,2022-10-15 In The Journey to Separate but Equal Madame Decuir s Quest for Racial Justice in the Reconstruction Era Jack Beermann tells the story of how in Hall v Decuir the post Civil War US Supreme Court took its first step toward perpetuating the subjugation of the non White population of the United States by actively preventing a Southern state from prohibiting segregation on a riverboat in the coasting trade on the Mississippi River The Journey to Separate but Equal offers the first complete exploration of Hall v Decuir with an in depth look at the case s record the lives of the parties lawyers and judges and the case s social context in 1870s Louisiana The book centers around the remarkable story of Madame Josephine Decuir and the lawsuit she pursued because she had been illegally barred from the cabin reserved for White women on the Governor Allen riverboat The drama of Madame Decuir s fight against segregation s denial of her dignity as a human and particularly as a woman enriches our understanding of the Reconstruction era especially in Louisiana including political and legal changes that occurred during that time and the plight of people of color who were freed from slavery but denied their dignity and rights as American citizens Hall v Decuir spanned the pivotal period of 1872 1878 during which White segregationist Democrats redeemed the South from Republican control The Supreme Court s ruling in Hall overturned the application of an 1869 Louisiana statute prohibiting racial segregation in Madame Decuir s case because of the status of the Mississippi River as a mode of interstate commerce The decision represents a crucial precedent that established the legal groundwork for the entrenchment of Jim Crow in the law of the United States leading directly to the Court s adoption of separate but equal in Plessy v Ferguson **Encyclopedia of Race and Crime** Helen Taylor Greene,Shaun L. Gabbidon,2009-04-14 The

organization of the reader's guide especially the groupings of landmark cases race riots and criminology theories is impressive Other related titles lack the breadth detail and accessibility of this work Recommended for all libraries essential for comprehensive social studies collections Library Journal As seen almost daily on local and national news race historically and presently figures prominently in crime and justice reporting within the United States in the areas of hate crimes racial profiling sentencing disparities wrongful convictions felon disenfranchisement political prisoners juveniles and the death penalty and culturally specific delinquency prevention programs The Encyclopedia of Race and Crime covers issues in both historical and contemporary context with information on race and ethnicity and their impact on crime and the administration of justice These two volumes offer a greater appreciation for the similar historical experiences of varied racial and ethnic groups and illustrate how race and ethnicity has mattered and continues to matter in the administration of American criminal justice Key Features Covers a number of broad thematic areas basic concepts and theories of criminal justice the police courts and corrections juvenile justice public policy the media organizations specific groups and populations and specific cases and biographies Addresses such topics as gender hate bias crimes immigrant experiences international and cross cultural issues race and gangs and race and law Presents experiences of all major racial and ethnic groups in the U S including Asians Blacks Latinos Native Americans and Ethnic Whites as well as religious minorities such as Muslims Includes coverage of recent incidents like the alleged rape of a black female North Carolina Central University student by white male members of the Duke University Lacrosse Team the Jena 6 incident the Tulia Texas drug arrests the Rodney King beating the O J Simpson trials in the 1990s and more recent racial profiling incidents Two appendices provide information on locating and interpreting statistical data on race and crime as well as detailed instructions on how to access statistical data on the web for such specific areas as arrests drugs gang membership hate crimes homicide trends juvenile justice prison populations racial profiling the death penalty and victimization Because the topic of race and crime is of wide interest and relevance entries in this Encyclopedia are written in an accessible style to appeal to a broad audience making it a welcome addition to academic and public libraries alike

*The Hidden Among the Hidden* Helen K. Black, John T. Groce, Charles E. Harmon, 2017-05-02 The growing number of elder men providing hands on care to loved ones particularly spouses undeniably represents a hidden segment of the home care population. With that in consideration caregiving in communities of color in particular is increasing while numbers of informal unpaid caregivers are projected to triple by 2030. Despite statistics studies on African American men who care for other elders such as spouses and parents indeed the hidden among the hidden are negligible. This text follows a study conducted by Helen Black a research scientist focusing on aging alongside John Groce and Charles Harmon founders of Mature Africans Learning from Each Other M A L E in which they interviewed elderly African American men in caregiver roles. As a whole *The Hidden Among the Hidden* is unique in its study of caregiving in the areas of subject matter methodology and presentation of findings. The men whose attitudes and behaviors toward caregiving are recorded in this book share a wealth of knowledge for other caregivers gerontologists healthcare professionals students and the community in general.

**Adolescent Risk Behaviors** David A. Wolfe, Peter G. Jaffe, Claire V. Crooks, 2008-10-01 This book focuses on the crucial role that relationships play in the lives of teenagers. The authors particularly examine the ways that healthy relationships can help teens avoid such common risk behaviors as substance abuse dating violence sexual assault and unsafe sexual practices. Addressing the current lack of effective prevention programs for teens they present new strategies for encouraging healthy choices. The book first traces differences between the rules of relating for boys and girls and discusses typical and atypical patterns of experimentation in teens. The authors identify the common link among risk behaviors the relationship connection. In the second part of the book they examine the principles of successful programs used by schools and communities to cultivate healthy adolescent development. An illuminating conclusion describes the key ingredients for engaging adolescents their parents teachers and communities in the effort to promote healthy nonviolent relationships among teens.
