## TO THE OWNER

The purpose of this manual is to assist you in realizing the benefits you anticipated when you purchased this International Harvester product.

The way you operate and the care you give this equipment will have much to do with its successful performance. This manual has been carefully prepared and the information arranged and illustrated to make it as easy as possible for you to find the information you wish. It will pay you to read the entire manual carefully before operating and keep it handy for future reference. Your International Dealer or Distributor will be glad to answer any further questions you may have on the operation or care of this product.

It is the policy of International Harvester Company to improve its products whenever it is possible and practical to do so. We reserve the right to make changes or add improvements at any time without incurring any obligation to make such changes on products sold previously.

## WARRANTY PERIOD

The Notes contained in this Operator's Manual for proprietary items, such as electrical and fuel injection equipment, have been compiled for use after the warranty period has expired. If attention, however small, is required to any of these items, whilst they are still within the warranty period, your International Dealer or Distributor should be informed.
