Varsity's Ultimate Guide to Cheerleading Rebecca Webber, 2014

Body Before Skill Jessica Zoo, 2016-05-31

UNLEASH YOUR POTENTIAL AND REACH FOR GOLD The body knows no difference between a recognised sport at the Olympics or what we do. All it cares about is the two and a half minutes and the months of gruelling training it goes through. All the body wants is to find the right balance between being pushed to a peak without being pushed beyond its capable of. **BODY BEFORE SKILL** is a brand new reference book for all coaches who want to dig into a deeper understanding of their sport and how to make the most of their athlete's potential. I see this book as well as the full **INTENSITY**™ method enhancing any coach or programme who implements it into their curriculum. The results of training the whole body of the athlete will be forever. They will be strong adults physically and mentally who can deal with the punches life throws in their path. They will be healthier both inwardly and outwardly by learning proper nutritional and workout guidelines. I wholeheartedly endorse the **Body Before Skill** movement, **INTENSITY**™ as well as the creators of it. If your passion is to become the best coach you can be, this is a must for your library. I encourage all coaches to take the **INTENSITY**™ coach qualification. Please join me in my crusade to motivate athletes internally in a positive environment to become better athletes and people of high character and integrity.

DEBBIE LOVE USAF Hall of Fame. It's like the bible for cheerleading instruction. It summarizes and applies nearly 4 years of my undergraduate education and then applies it directly to the sport that I love. It's the most comprehensive cheerleading manual that I have seen on the market.

JEFF BENSON Sports Performance Psychologist. **Body Before Skill** gathers decades of expert knowledge and experience in sports science together in one place from the most respected contributors in the industry. It is the turn key solution for optimizing your athletes' performance for cheerleading and you can't find it anywhere else. It's been missing from our industry for years and now it's here. My experience with **INTENSITY** moved my own knowledge years ahead. I can't imagine having had access to a program like this when I was a young coach starting out. It can literally cut years off the learning curve. It's **THE** institute for higher learning for cheerleading coaches. It's cheerleading college.
