

My room is very enjoyable for studying. My Lovely room has 4 m<sup>2</sup> in width, and it is painted white. The light is suitable for studying particularly reading and writing; furthermore, the chair makes me comfortable. My room also has a small bookshelf in which all of my books are put. The bookshelf is placed on the right side of the door, so it is reachable when I am sitting on my chair. In spite of these, it is also good ventilation that makes air in my room always fresh. In summary, I love my room because it makes me comfortable, and motivates me to study.
