David Muyskens, 2016-04-01 It's been said that Centering Prayer is like two friends sitting together in silence just being in each other's presence completely natural and comfortable Yet Centering Prayer is sometimes viewed as too mysterious too escapist too hard At first it even appeared that way to the author but events in his life and his further studies about prayer changed his views Through Muyskens insightful guidance you'll explore a method of prayer that goes deeper than verbal conversations with God This book teaches silent communion with God a method of being open to the gift of God's presence a way of receiving a deep and intimate relationship with God Each day's reading has a focal scripture verse and the author's reflection ending with simple suggestions for contemplative prayer You'll begin with as few as 5 minutes of Centering Prayer By following the guidance in this book for 40 days you will be led to a closer relationship with God As you progress through the daily scripture and meditative readings in Forty Days to a Closer Walk with God you'll find greater understanding and fresh awareness of Jesus promise I am with you always Seasons of Biblical Spirituality Mark G. Boyer, 2023-07-28 This book presents one hundred reflections on the four seasons spring summer autumn and winter The seasons of the year bring

change to people Winter heating gives way to spring and summer air conditioning The new life of spring trees leafing bulbs blooming grass growing brought about by rain turns into summer maintenance Summer maintenance diminishes as the autumn chill begins to spread across the land and T shirts and shorts are exchanged for sweaters and jeans Coats are brought out of the closet and prepared to be worn as frost forms on the lawn snow falls from the sky and ice forms on water The changes that take place outside of us also take place inside us Without noticing we discover ourselves adapting as we pass from one season to another All the reflections provided in this book begin with biblical passages that mention each specific season or some event that occurs as part of the season The passage is followed by a reflection a Psalm response questions for meditation and or journaling and prayers designed to nourish one s spirituality The yearly process of passing from one season to another brings about transformation in us of which we may not be aware
