Citi Foundation

The mission of the Citi Foundation is to **promote economic progress and improve the lives of people in low-income communities around the world**. We invest in efforts that increase financial inclusion; catalyze job opportunities for youth; and reimagine approaches to building economically vibrant communities. The Citi Foundation's "more than philanthropy" approach leverages the enormous expertise of Citi and its people to fulfill our mission and drive thought leadership and innovation.

We focus our resources on the following three focus areas:

- ❖ Community Solutions
- ❖ Financial Inclusion
- ❖ Youth Economic Opportunities

The Citi Foundation applies a racial equity lens across each of our focus areas. Learn more about Citi's and the Citi Foundation's commitment to advancing racial equity [here](#).

Grant proposals are evaluated based on the following considerations:

1. Does the organization have the capacity and expertise to successfully leverage Citi Foundation funding?
We consider factors such as the organization's governance and financial model, record of accomplishment in the community and leadership team expertise.

2. What is the proposed impact Citi Foundation funds will have on the organization and the community?
We consider factors such as attainability of proposed results and the degree to which grant funds will result in increases in organizational capacity and improvements in economic conditions for those served.

3. How is diversity, equity, and inclusion (DEI) prioritized within the organization and its programs?
We consider factors such as the degree to which the organization is proactively advancing DEI, including through its hiring practices, board composition, procurement practices, and programming.

4. Is this the best possible use of Citi Foundation funds given other opportunities before us?

The Citi Foundation does not provide funding to:

- Private foundations
- Religious or fraternal organizations (unless they are engaged in a project benefiting an entire community)
- Organizations that discriminate on the basis of race, sex, gender identity or expression, color, religion, national origin, age, disability, sexual orientation, veteran's status or other legally protected personal characteristic or status
