Geraldine Woods,2021-03-16 Sometimes it s better to start small with a sentence Every English teacher has experienced it students staring at an empty page seemingly paralyzed by a writing assignment When this happens it may be time to back off from the Big Idea approach to the art of reading and writing and zero in on a single sentence In this book a master teacher offers a complete guide to a sentence level approach Helping students recognize the techniques that make sentences great is the first step and there are plenty of examples here from YA novels TV shows and song lyrics as well as the novels poetry and

nonfiction pieces that form the canon of middle and high school reading lists Lesson plans include activities to introduce the featured element of style questions to guide students in their analysis and writing prompts and activities to spark students interest and creativity With this Little to Big strategy students move quickly from analysis of the words between two periods to the universe of ideas of which that sentence is a part They may even be eager to write their own Explanation Giora Hon,Sam S. Rakover,2013-04-17 For some years we have been conducting at the University of Haifa an interdisciplinary seminar on explanation in philosophy and psychology We habitually begin the seminar with some philosophical reflections on explanation an analysis of the concept and its metaphysical underpinnings We discuss the various models and proceed to examine explanation in the setting of psychology Thus from the outset we have focused not only on the concept itself but also on its application The objective that we have set for the seminar attended by students from both departments Philosophy and Psychology has been a critical understanding of the concept of explanation its use and limitations We were keen on deepening our understanding of the concept and on exploring its applications in fields of knowledge other than psychology This was the motivation for convening an international conference on explanation and its application The conference took place in the spring of 1998 under the auspices of the University of Haifa The present book is the fruit of this meeting The reader should note that the second part of the Introduction presents a detailed analytical account of the book We hope that this overview will facilitate efficient use of the book by directing the reader s attention to those issues that might be of interest to him or her **The Cold War** Merrilyn Thomas,2012-12-01 How the modern world was shaped by super power rivalry through deception and propaganda This guide exposes the reality behind the war between capitalism and communism two ideologies divided by the Iron Curtain New revelations show that what was once regarded as simply a struggle between good and evil was in fact a far more complex affair Merrilyn Thomas peels back the layers of deception and intrigue and offers a penetrating assessment of the legacy of instability that continues today *Correspondence with Vincent Salandria* Michael D. Morrissey,2007-07-01 Vincent J Salandria a Philadelphia attorney was the first person to publish a critique of the Warren Report He was an intimate and trusted adviser to Jim Garrison and like Garrison has always maintained that the assassination of President Kennedy was a CIA operation in which the U S national security establishment was fully complicit This correspondence touches all the bases a full discussion of all the consequences of this terrible conclusion *A Teacher's Guide to Land of Hope* Wilfred M. **LBJ** Phillip F. Nelson,2011-10-20 LBJ aims to expose Vice President Johnson s active role in the assassination of President Kennedy and how he began planning his takeover of the U S presidency even before being named the vice presidential nominee in 1960 Lyndon B Johnson s flawed personality and character traits were formed when he was a child and grew unchecked for the rest of his life as he suffered severe bouts of manic depression and bipolar disorder He successfully hid this disorder from the public as he bartered stole and finessed his way through the corridors of power on Capitol Hill though records have been uncovered proving some of his aides knew of his mental illness Phillip F Nelson after years of researching Johnson and the JFK assassination concludes that during his vice presidency Johnson suffered progressively stronger bouts of mental collapse as he was busy undermining Kennedy s domestic and foreign policy initiatives for the purpose of cunningly saving them for his own legacy His involvement with JFK s assassination is conclusively drawn with both text and photographic evidence showing Johnson s knowledge of when and where the assassination would take place Nelson s careful and meticulous research has led him to uncover secrets from one of the greatest unsolved mysteries in our country s history
