

Answers – Unit 3

4 Text 3A – words conveying the writer's feelings:

Paragraph 1 – *shock, alone*

Paragraph 2 – *awful, dark and cold, trial*

Paragraph 3 – *separation from ... home, unfamiliar, strangers*

6 Text 3A: sample answer:

Certainly not. My boarding school was a cold, unkind place and I was not happy there. You would feel very lonely, and there would probably be at least one teacher you didn't get on with and who was even cruel to you. The environment and climate would be very different from here and you would be homesick. It might not always be possible for you to come home for every school holiday, and you would hate being dumped on distant relatives. There are no luxuries and home comforts, you know; they don't even have carpet on the floor and you have to sleep in a dormitory with lots of other pupils and no privacy. Only students who are very academic or very sporty really enjoy boarding school. You might grow away from the family and would never forgive me for letting you go, just as I never forgave my own father. Although boarding schools are character-building – and they might have improved somewhat nowadays – I wouldn't want to take the risk of your being as unhappy as your mother and I were.

10 Text 3B: points in favour of boarding education:

- *happy, busy, motivated community*
- *well-adjusted young people*
- *students are cared for*
- *comfortable, personalised living spaces*
- *range and quality of education*
- *classes are smaller*
- *staff are more highly qualified*
- *commitment to a broad vision of education*
- *exceptional programmes of sporting, artistic, intellectual, cultural and physical activities*
- *any special talent, interest or pursuit is nurtured by caring and patient staff*
- *students' time is employed fruitfully throughout the week*
- *supportive atmosphere and the 24-hour-a-day availability of specialist staff*
- *every adult makes it their business to get to know each student*
- *receive appropriate advice and guidance*
- *get on with other people from a range of backgrounds*
- *share challenges and adventures*
- *learn how to overcome adversity and cope with occasional failure*
- *learn how to be a member of a team*
- *grow up faster and more successfully*
- *better-equipped for the transition to university and the workplace*
- *understand the importance of being a member of a community*
- *make friendships for life*
