How I Survived Consuelo Bradford-Jackson,2007-04 This is not your average prayer book Most prayer books focus on or deal with issues that are visible and external to the person praying like the leaves or fruit on a tree This author believes that most of our prayers have the effect of shaking the fruit or leaves off only to see them grow again at a later date The book s entire thrust is to eliminate the unseen causes or roots in order to permanently impact our Christian walk The book is dedicated to Bible based prayers that remind God of His promises to us as directed in Isaiah 43 25 26 It is intended to be used as a guide for developing prayers and confessions that address the issues and circumstances that affect the reader s life The author suggests that you ignore what does not apply to your personal walk and add that which does all with the Holy Spirit s guidance Ask Him You are also encouraged to base your prayers on what God has shown you about the issues and circumstances that currently are confronting you Reading the scriptures provided along with those He has given to you personally before you pray will shrink your doubt and unbelief while it strengthens your faith Unbroken Lisa Renee
