Popular Photography ,2005-07 *Photography: Choosing Your Film SLR* Shawn M. Tomlinson,2018-02-22 Film cameras the bodies themselves have little to do with image quality Lenses are far more important to image quality than camera bodies So as long as your camera has accurate shutter speeds aperture settings and metering the brand you pick doesn t really have much of an effect upon the final image So then it appears the model camera you choose is irrelevant Well no The type of film SLR camera you choose is most important to you as the photographer in features and convenience Comfort has a lot to do with how good you are as a photographer What I mean by that is that you choose a camera that feels comfortable in your hands and becomes an extension of your brain as a photographer This makes it easier to capture the types of images you want

Decolonization and Diversity in Contemporary Photography Qiana Mestrich,2025-03-07 Focusing on fine art and documentary photography this book provides a racially diverse and culturally inclusive version of photography history and its contemporary manifestations Who s documenting the evolution of photography as it is happening now from an inclusive

transnational perspective This is the challenge this book aims to address The collection is the print manifestation of the Dodge and Burn art photography blog actively published from 2007 to 2018 including a selection of 35 interviews with photographers and art professionals from underrepresented communities those of African Asian Latinx and Native American heritage It captures fascinating accounts of artists of color and the broad range of their challenges and successes aspirations photo series and photobooks earning a living discrimination photography education photographic practice socio political conversations and more Decolonization and Diversity in Contemporary Photography is a powerful collection that celebrates and exhibits the talents of underrepresented artists It is essential reading for both photography students and aspiring photographers

American Photo ,2000-07 **Retro Camera Buying Guide: Getting Serious About Photography** **On the Cheap! Expanded and Revised** Shawn M. Tomlinson,2018-04-17 A lot has changed since I wrote and published this first volume of what became this guide series One thing hasn't I still have the same enthusiasm and joy in photography I had way back at the beginning of the series I have a lot more knowledge and experience now and occasionally even get close to taking good photographs That's the thing see I didn't know a lot when I originally wrote this guide I had been working in photography since 1982 professionally Everything I knew pretty much was self taught In general that's still true There's no need for you to do it all by yourself too though This book and this series are meant to help you get going with the basics fast Yes OK I tend to relate my own experiences but that too is meant to help you avoid some basic mistakes I made And perhaps I write in a tad too friendly manner but think of it as sitting down with me to have a friendly talk about a passion we share
