**The Search for Isadora** Lillian Loewenthal, 1993 An appreciation of one of the 20th century's most significant artistic influences A Main Selection of the Dance Book Club *Finding Isadora* Susan Fox, M.A., 2013-09-01 Raised by hippies veterinarian Isadora Wheeler yearns for security marriage and fidelity Her fiancé fits comfortably into her plans When Isadora meets activist lawyer Gabriel DeLuca who's defending her father on an arson charge comfortable is not the word she'd use Gabriel awakens her passion and makes her question everything she knows about life and love Should she stick to the safe path or does she have the guts to follow her heart Tags women's fiction contemporary romance Isadora: A Sensational Life Peter Kurth, 2025-09-01 How to make sense of this immense complicated beautiful and grotesque life Many have tried the Isadora Duncan literature is a tidal wave of loving reminiscence obfuscation self glorification infighting and supposition by those who knew her And now there is Peter Kurth sardonic yet appreciative neither adoring nor denigrating He has stylishly synthesized the literature to give us the fullest and most coherent account of the life to date Robert Gottlieb New York Times Book Review Peter Kurth has done a heroic job recreating this charismatic complicated and ultimately deeply tragic figure born in the heyday of the railroads and dead before the Great Depression Isadora A Sensational Life will likely become the standard biography Kurth seems to have read everything that has been written about her and while he lets critics scholars and most valuably those who saw her dance sum up the evanescent Duncan artistry he gives us the woman herself Tim Page Washington Post Book World A luminous portrait aglow with the details of Duncan's life and times Mining the rich lode of Duncan sources her own writings recollections of her contemporaries and press coverage of the day Kurth presents as complete a picture of the dance pioneer and proto feminist as is possible Although only a few minutes of Duncan's dancing have been preserved on film the vivid descriptions found here will conjure up moving images of one of the most original figures in dance history Library Journal Kurth tracks Duncan's every triumph and tragedy skillfully excerpts her writings and other invaluable sources and sets her entire complex milieu in motion In awe he wisely restricts himself to precision reporting leaving aesthetic and psychological interpretations for other scholars who like all of Kurth's fascinated readers will be grateful for his herculean effort and abiding respect Booklist Mr Kurth has absorbed the material like a dancer lodging choreography in muscle memory and distilled the considerable detail into an immensely readable and poignant evocation of Duncan's tumultuous life Even sophisticated dance readers are likely to find their own revelations about Duncan's art in the minutiae of her life and career reported by Mr Kurth at a discreet sometimes amused distance from a subject he clearly admires in spite of himself Jennifer Dunning The New York Times There was a purity and seriousness to Duncan and it's one of Kurth's virtues that while he hasn't stinted on the juicy gossip he pays real attention to this with the pitch perfect narrative voice that makes this hefty book a lightning page turner Amanda Vaill Chicago Tribune The best biography yet of an astonishing woman brimming with juicy snippets Sunday Times London Kurth takes care to place Duncan

s dancing in its social and artistic context but this isn't a dance book Kurth's real interest is in the make up of this absurd genius and he rides the running board of Isadora's vagabond life with great aplomb Sunday Telegraph London There is never a dull moment in Peter Kurth's action packed biography Kurth has done her proud with his excellent biography Daily Mail

What they find is not what any of them expected Greater explorations require Sanna to part from her favorite beasts and head into the unknown alone Meanwhile Almorran magic presents to Isadora in a rather unexpected form requiring Caroline Baylee Isadora and the magical detection team to join together and discover what to expect next The possibility that May Head Witch of Miss Mabel s School for Girls might have a lesser Almorran scroll makes them hungry to find the truth There are five Almorran scrolls Where are they They plunge into a race against time dark magic and wily witches Fortunately Isadora has an advantage Unfortunately the web of deceit plunges deeper than any of them expected Join our beloved Sisterwitches in the final installment in THE SISTERWITCHES Book 10 These slice of life stories will sweep you back to the world of the Dragonmaster and right into the heart of the witches we love best **The Patient Nurse** Diana Palmer,1997 Dr Ramon Cortero s patient Nurse Noreen Kensington has a serious case of heartache Maybe the only remedy is a dose of old fashioned tender loving care from the seductive doctor But Ramon s stormy history with Noreen made him the one man she didn t want rescuing her now that she was ill When truths about the past are revealed Ramon is determined to make things right with the woman who s haunted his dreams for so long But will this patient doctor be able to mend Noreen s broken heart before it s too late Publisher Lucia Joyce Carol Loeb Shloss,2005-03-01 Whatever spark or gift I possess has been transmitted to Lucia and it has kindled a fire in her brain James Joyce 1934 Most accounts of James Joyce s family portray Lucia Joyce as the mad daughter of a man of genius a difficult burden But in this important new book Carol Loeb Shloss reveals a different more dramatic truth her father loved Lucia and they shared a deep creative bond Lucia was born in a pauper s hospital and educated haphazardly across Europe as her penniless father pursued his art She wanted to strike out on her own and in her twenties emerged to Joyce s amazement as a harbinger of expressive modern dance in Paris He described her then as a wild beautiful fantastic being whose mind was as clear and as unsparing as the lightning The family s only reader of Joyce she was a child of the imaginative realms her father created and even after emotional turmoil wrought havoc with her and she was hospitalized in the 1930s he saw in her a life lived in tandem with his own Though most of the documents about Lucia have been destroyed Shloss painstakingly reconstructs the poignant complexities of her life and with them a vital episode in the early history of psychiatry for in Joyce s efforts to help her he sought the help of Europe s most advanced doctors including Jung In Lucia s world Shloss has also uncovered important material that deepens our understanding of Finnegans Wake the book that redefined modern literature **Time and the Dancing Image** Deborah Jowitt,1989-01-01 If dance itself is a way of making ideas both visual and visceral Deborah Jowitt has discovered a literary voice in Time and the Dancing Image in which nineteenth and twentieth century thought in its relation to theatrical dancing becomes sensuous Sally Baner Cornell University The most vivid and immediately accessible serious dance book ever written Anyone from a neophyte to an aficionado will be challenged enlightened and delighted by Jowitt s clever juxtapositions Allen Robertson Dance Editor Time Out London In this brilliant book Deborah Jowitt has given us a fresh approach to dance history

and criticism Instead of seeing dance in the usual way isolated in a windowless room with mirrored walls she looks to the society in which dance evolved Using the ideas of contemporary artists and thinkers she illuminates changing tastes from the elegant ethereal sylphs of the 1830s to the agonized characters in the dances today For her reader Ms Jowitt opens both the eyes and the mind to the wonders of a many faceted art Selma Jeanne Cohen Editor International Encyclopedia of Dance
