

# Fireflies Are Out Tonight

## Firefly Song

Add extra fun to this song with a special flashlight prop! Dim the lights in the room. Then lead students in singing the song while you flash a flashlight (firefly) on and off. Once students are comfortable with the song, give the firefly to a child and encourage him to take over turning the light on and off.

## Fireflies Are Out Tonight

*(sung to the tune of "The Muffin Man")*

Do you see a flash of light,  
A flash of light, a flash of light?  
Do you see a flash of light?  
Are fireflies out tonight?

Yes, I see a flash of light,  
A flash of light, a flash of light.  
Yes, I see a flash of light.  
Fireflies are out tonight!

of light and sound Some bad goblins like Grumble thought it would be a great idea to blow on a firefly to wake it up and make its light shine better The goblins quickly agreed with this idea and soon the whole clearing was lit up with a bright light as if the sky had opened up to join the party As the night went on the firefly led the goblins and other animals of the forest to continue to dance and celebrate The lights gave off a soft comforting light and the air was filled with happiness and joy It was time to say goodbye to the fireflies when the first rays of dawn broke through the trees in the morning The goblins let the fireflies fly feeling both sorry for what they did and thankful for their help As the early morning light came up they stood there and watched the fireflies fly away into the sky The goblins were thrilled and amazed when they got back to their homes in the woods They did this because they were sure that their connection with the firefly and the forest's natural beauty would keep charming them They looked forward to new adventures every day in their magical forest and every night they celebrated the wonderful things that nature had given them

Beginning with Hear Once upon a time in a magical forest hidden behind tall old trees there lived a group of helpful goblins The goblins in this story were not at all like the ones in scary books or movies They were nice but at heart they were pranksters and they loved the chance to enjoy the beauty of nature They thought the Firefly Festival was one of their favorite events The forest was a beautiful and enchanted place where time seemed to move more slowly and every sound of birds singing and leaves rustling held a secret There were goblins watching over this strange place The fact that they lived in such an unusual way showed how much they cared about nature In a world where goblins were usually thought of as dangerous monsters that lived in the dark this group was a bright example of how good people could be found in the strangest places People in this world often thought of goblins as scary monsters that lived in the dark Their gentle nature came from the beautiful woods which was where they wanted to be The goblins days were full of fun things they did that honored the forest's many and varied plants and animals They were the first to rise with the sun and would sing happy songs that could be heard all over the forest For fun they would do things like put nuts in each other's shoes or send each other on treasure hunts to find the most beautiful wildflowers They would do these things while grinning meanly But things weren't always so happy and bright for these goblins Their strong belief was that it was their duty to keep the forest and its animals safe These people knew all the secret tracks that went through the thick plants and were always ready to help any animal that needed it This could mean saving a bird that is stuck in a thorny bush or showing a baby rabbit how to get back to its hole The animals in the forest understood that the goblins in this story were not at all like the ones they had read about in scary stories because they did nice things for them The goblins would have lively talks with squirrels and chipmunks and teach them what they knew about the forest Old wise owls would visit them and talk to the goblins about the moon and stars As the seasons changed the goblins would change what they did for a living so they could fully enjoy each day During the cool fall days they would get together to pick the ripest apples from the orchards They would fill baskets to the brim with the fruit they had gathered Under the harvest moon they would make big leaf piles to

jump into and then tell each other stories about the crazy things they had done During the winter when the forest was covered in snow the goblins would make giant snow forts and tunnels and ask their animal friends to go on snowy adventures with them It was also very cold in the winter so they left food out for the animals to make sure everyone had a good meal The goblins loved all four seasons but summer was their favorite As soon as the sun came up everyone got excited about their much loved Firefly
