Getting To My Spirit Guide:

Getting in Touch With Your Spirit Guides James David Rockefeller, All of us have spirit guides watching over us and waiting for us to ask for their help These spirit guides are there just for you they have been especially chosen for you and their only purpose to be around you is to help you grow spiritually or resolve a crisis situation you are in or help you fulfill your dreams The only issue is that if you don t ask them they won t be able to help While some of these guides stay with you throughout your life others appear in your life when you are struggling with specific aspects of your life or are trying to achieve certain goals They may be spirits who have lived a physical life in the past or they may have always remained spirits and never have had acquired a physical form It is possible that some of them are only there for you Others may be guiding more than one person They could also be deceased relatives of yours but most likely they never had any blood relationship with you They are neither male nor female although you may perceive them as having one of the two energies So who are these spirit guides How do they get in touch with you How can you listen to them or talk to them or ask them for their help What kinds of problems can they help you with How can you contact them Find out the answers to these and many more questions in this book

Living with My Spirit Guides Greg Thompson,2020-11-08 Greg Thompson was four years old when he first met his guardian angel It would not be the last visit from that angel or other paranormal beings In Living with My Spirit Guides Thompson narrates his story as he offers a different perspective on life when communicating with spirit guides daily This memoir chronicles how he has grown from a child who accepted his world that others did not understand to a life where he openly talks about his connection to a larger world Thompson shares how he communicates with his spirit guides how it has changed throughout time and how he has additionally learned to talk with other forms of life Living with My Spirit Guides conveys what it feels like to be an empath who can pick up emotions from anywhere in the world and how it feels walking through a crowd that is either extremely happy or mad Thompson tells how he learned to control those feelings within him how he deals with knowledge of someone who is sick or dying and they don t know it and how to help them with the aid of his spirit guides
