Basketball Rule Changes - 2015 – 16

10-6-12: The following acts constitute a foul when committed against a ball handler/dribbler. A player becomes a ball handler when he/she receives the ball. This would include a player in a post position.

- a. Placing two hands on the player.
- b. Placing an extended arm bar on the player.
- c. Placing and keeping a hand on the player.
- d. Contacting the player more than once with the same hand or alternating hands.

Officials Signal Chart and Officials Manual: Establish a signal to be used after a basket is made and there is a stoppage in play. The signal is used by the officials to indicate the team inbound the ball may run the baseline.

The signal will be executed by extending the arm laterally, bending the elbow at a 90-degree angle, moving the hand and forearm from the elbow in a waving motion horizontally along the end line. A new picture will need to be added to the signal chart.
