Christ's Object Lessons—Illustrated Ellen G. White, 1941 Heritage Edition Over 100 illustrations of a century ago Unabridged original text consisting of inspiring and profound lessons from the stories and parables which Jesus told Christ the Great Teacher gave much of His instruction as He walked with His disciples through the hills and valleys of Palestine or rested by the lake or river In His parable teaching He linked divine truth with common things and incidents as may be found in the experiences of the shepherd the builder the tiller of the soil the traveler and the homemaker Familiar objects were associated with thoughts true and beautiful thoughts of God's loving interest in us of the grateful homage that is His due and of the care we should have one for another Thus lessons of divine wisdom and practical truth were made forcible and impressive The Scripture says All these things spake Jesus unto the multitude in parables that it might be fulfilled which was spoken by the prophet saying I will open My mouth in parables I will utter things which have been kept secret from the foundation of the world Matt 13 34 35 Natural things were the medium for the spiritual the things of nature and the life experience of His hearers were connected with the truths of the written word Leading thus from the natural to the spiritual kingdom Christ's parables are links in the chain of truth that unites man with God and earth with heaven In this volume the parables are grouped according to their subjects and their lessons are developed and illustrated The book is full of gems of truth and to many readers it will give a richer meaning to the common surroundings of everyday life The Sermon on the Mount and the Ewes of Ghana Frederick Mawusi Amevenku, 2023-11-07 Using socio rhetorical interpretation to study Matthew's Sermon on the Mount the book explores the contextual interpretation of the sermon among the Ghana Ewe The book argues that the Sermon on the Mount can be viewed as Jesus new kingdom gospel and a reinterpretation of the Mosaic law teaching not only ethics but also kingdom appropriate righteousness for theological and ethical renewal Kingdom appropriate righteousness is nurtured through daily exchanges with God leading to habitual forgiveness and subsequent divine perfection of love for God and one's enemies In the contemporary context kingdom appropriate righteousness challenges the deficient compulsory wealth prosperity gospel Christianity that is promoted in contemporary Ghana and elsewhere Select Notes on the International Sabbath School Lessons Francis Nathan Peloubet, 1879 Farmer's Advocate and Home Journal, 1908 The Compilation of Romans Yoseop Ra, 2025-02-27 In this book Yoseop Ra would like to reveal that Paul sent letters to the Roman church four times Accordingly it will be revealed that Romans was not written to convey doctrine rather he wrote them to achieve his own purpose He requested help from the Romans to spread the gospel in gentile regions even as far as Spain It seems however that his attempt was rejected due to the renewed theology When this is properly revealed the actual history and theology that Paul had with the Romans will be revealed The most important content was that righteousness is obtained by faith in God who raised Jesus Christ from the dead This was unacceptable to the Romans at the time from a Jewish perspective Paul had to write four letters to persuade them reflecting the fact that they did not agree with his arguments Accordingly the actual history that Paul had with the Romans is different from what has been

known to us today If Ra s argument is valid early Christian history will have to be rewritten ... **Select Notes on the International Sunday School Lessons ...** ,1879 **Nervous Laughter** Darrell Y. Hamamoto,1991-05-30 Critically analyzing four decades of television situation comedies from The Honeymooners to The Bill Cosby Show Hamamoto shows how the sitcom reflects explains legitimates and challenges the society in which it is grounded illumining the power of laughter both to reaffirm and to question existing social structures Hamamoto offers a well researched and refreshingly lucid study immensely readable for its astute scholarship Indispensable for students and scholars of television popular culture and comedy Choice Nervous Laughter examines forty years of situation comedy decade by decade providing the first truly panoramic view of TV s most popular dramatic form Within this context Hamamoto traces what he describes as the dominant liberal democratic ideology implicit within situation comedy and explains its enduring popularity Examining liberal democratic culture politics and society he demonstrates how the sitcom resolves social contradictions Borrowing freely from the social sciences history and literary criticism he explains the curious grip the TV sitcom has had on its audience for over forty years This book critically assesses the relationship between the media and society bringing questions of power equality and democracy to the foreground Nervous Laughter is important reading for both the specialist and the general reader in its analysis of postwar American society Nervous Laughter is a study of liberal democratic culture politics and society It describes the ways affirmative aspects and contradictions of liberal democratic ideology are given form in television situation comedy It provides a close reading of forty years of television texts Arguing against mainstream theories of mass communications the author presents an analytic framework that looks instead at conflict and contradiction within class society Challenging the legitimacy of airwave control by non democratic social institutions Nervous Laughter concludes with a modest agenda that might lead to democratization of television **Facing Reality** Charles Murray,2021-06-15 The charges of white privilege and systemic racism that are tearing the country apart float free of reality Two known facts long since documented beyond reasonable doubt need to be brought into the open and incorporated into the way we think about public policy American whites blacks Hispanics and Asians have different violent crime rates and different means and distributions of cognitive ability The allegations of racism in policing college admissions segregation in housing and hiring and promotions in the workplace ignore the ways in which the problems that prompt the allegations of systemic racism are driven by these two realities What good can come of bringing them into the open America s most precious ideal is what used to be known as the American Creed People are not to be judged by where they came from what social class they come from or by race color or creed They must be judged as individuals The prevailing Progressive ideology repudiates that ideal demanding instead that the state should judge people by their race social origins religion sex and sexual orientation We on the center left and center right who are the American Creed s natural defenders have painted ourselves into a corner We have been unwilling to say openly that different groups have significant group differences Since we have not been willing to
