Jumpers For Goalposts 2 Guide:

For the Gay Stage Drewey Wayne Gunn, 2017-05-21 Previous surveys of the gay theatrical repertoire have concentrated on plays produced on Broadway or in London's West End. This comprehensive guide goes well beyond these earlier studies by introducing productions from Off Broadway from regional theaters in the U S and U K and from Ireland Canada Australia New Zealand and South Africa. Also included are Puerto Rican Indian and Filipino plays written in English as well as translations from other languages. Well over half of the works discussed here appear for the first time in such a study.

Official Soccer, Speedball, Field Ball Guide for Women and Girls, Containing the Official Rules, 1944 **(Un)Veiling Sexual Identities** Davide Passa, 2024-08-30 This study situated within the field of Language and Sexuality Studies investigates the characterisation of fictional gay men in 21st century British drama. The research is based on a corpus of 61 plays staged between 2000 and 2020 which collectively feature 187 gay male characters. The study employs methodological triangulation to explore the corpus from three distinct perspectives moving from broad trends to more detailed analyses. The first section offers an overview of 20th and 21st century British drama featuring gay characters identifying general trends in the portrayal of homosexuality in contemporary British theatre. The second section delves into the 187 fictional gay characters classifying them according to both sociolinguistic variables such as age social class and linguistic variety and variables specific to Language and Sexuality Studies including levels of openness about their sexuality and their distinctive use of gayspeak. The final section takes an eclectic approach providing a multifaceted analysis of the gayspeak observed in the corpus. This is done through both manual analysis and a corpus assisted approach using Lancsbox software. The primary goal of this section is to evaluate whether the features of gayspeak identified in earlier studies persist in the contemporary plays under examination.
