savings achieved by Firebuy is inadequate and the information that the estimated savings are based on is mostly unreliable The Department expected Firebuy to be self financing by its third year of operation 2008 09 but it is still heavily reliant on grants from the Department Firebuy is expensive to run with overheads between five per cent and 10 per cent higher than the industry norm The Department has not shown enough leadership direction or oversight of Firebuy to ensure it achieved its original objectives most of which were not monitored only 29 of 66 targets were monitored and many were not met
