Fire To Fire Mark Doty

Alison Hawthorne Deming

Fire To Fire Mark Doty:

Fire to Fire Mark Doty, 2009-01-27 Mark Doty's *Fire to Fire* collects the best of his seven books of poetry along with a generous selection of new work. His signature style encompasses both the plainspoken and the artfully wrought as one of contemporary American poetry's most lauded recognizable voices speaks to the crises and possibilities of our time. *Fire to Fire* Mark Doty, 2008-03-11 A collection of favorite poems from the author's previous seven books along with new selections chosen by the author representing twenty years of poetry. *Deep Lane* Mark Doty, 2015-04-07 Elegant plain spoken and unflinching Mark Doty's poems invite us to share their ferocious compassion. National Book Award judges citation for *Fire to Fire* Mark Doty's poetry has long been celebrated for its risk and candor, an ability to find transcendent beauty even in the mundane and grievous, an unflinching eye that as Philip Levine says looks away from nothing. In the poems of *Deep Lane* the stakes are higher, there is more to lose than ever before, and there is more for us to gain. Pure appetite, he writes ironically early in the collection, I wouldn't know anything about that. And the following poem answers: Down there the little star-nosed engine of desire at work all night, secretive in the morning, a new line running across the wet grass near the surface like a vein. Don't you wish the road of excess led to the palace of wisdom? wouldn't that be nice? *Deep Lane* is a book of descents into the earth, beneath the garden into the dark substrata of a life. But these poems seek repair, finally, through the possibilities that sustain the speaker: aboveground gardens and animals, the pleasure of seeing the world tuned by the word. Time and again an image of immolation and sacrifice is undercut by the fierce fortitude of nature, nature that is not just a solace but a potent antidote and cure. Ranging from agony to rapture, from great depths to hard-won heights, these are poems of grace and nobility. **School of the Arts** Mark Doty, 2005-03-29 The darkly graceful poems in Mark Doty's seventh collection explore the ways in which we are educated by the implacable powers of time and desire. The world constantly renews itself, and the new brings both possibility and erasure. Given the limits of our own bodies, how are we to live within the inevitability of despair? This is the plainest of Doty's books, its language stripped and humbled. But whatever depths are sounded in these poems, their humane and open music sustains. Art itself instructs us: Lucian Freud's startling renditions of human skin, Virginia Woolf's ecstatic depiction of consciousness, Caravaggio's only too real people elevated to difficult glory, all turn the light of human intelligence upon the night of time. Formally inventive, warm at once, witty and disconsolate, *School of the Arts* represents a poet reinventing his own voice at midlife, finding a way through a troubled passage. Acutely attentive, insistently alive, this is a book of fierce vulnerability. *Bethlehem in Broad Daylight* Mark Doty, 1991 A collection of poems by Mark Doty. **The Art of Description** Mark Doty, 2010-07-20 It sounds like a simple thing to say what you see. Mark Doty begins. But try to find words for the shades of a mottled sassafras leaf, or the reflectivity of a bay on an August morning, or the very beginnings of desire stirring in the gaze of someone looking right into your eyes. Doty finds refuge in the sensory experience found in poems by Blake, Whitman, Bishop, and others. *The Art of Description* is an invaluable book by one of America's most
