domesticity he enjoys with his wife herself meticulous in every detail Close to the waters where soundings are taken Tobiasson Svartman alights on a barren skerry presumed uninhabited and is surprised to discover there a young woman Sara Fredrika Despite her almost feral appearance something about her strikes him to the core The mission is a success and the Svea returns to Gothenburg Tobiasson Svartman however remains haunted by this chance encounter his equilibrium has been disturbed and he is now compelled to find any pretence to return to the remote islet In *Depths* Mankell confirms his status as a writer deserving acclaim beyond the crime genre By delving deep into the male psyche he has produced a novel as tense and compelling in every way as the Wallander series but also powerful moving and ultimately tragic *The Rough Guide to Crime Fiction* Barry Forshaw,2007-07-16 The Rough Guide to Crime Fiction takes the reader on a guided tour of the mean streets and blind corners that make up the world s most popular literary genre The insider s book recommends over 200 classic crime novels from masterminds Raymond Chandler and Patricia Highsmith to modern hotshots James Elroy and Patricia Cornwall You ll investigate gumshoes spies spooks serial killers forensic females prying priests and patsies from the past present and future Complete with extra information on what to read next all movie adaptations and illustrated throughout with photos and diagrams all the evidence that counts [The Man from Beijing](#) Henning Mankell,2010-02-16 From the dean of Scandinavian noir Henning Mankell the internationally bestselling and universally acclaimed Kurt Wallander series an incredible stand alone masterpiece a bone chilling mystery that spans two centuries and four continents In the far north of Sweden a small quiet village has been almost entirely wiped out by a mass murderer The only clue left at the scene is a red ribbon Among the victims are the grandparents of Judge Birgitta Roslin who sets out to find the killer Despite being brushed off by the police Birgitta is determined to prove that the murders were not a random act of violence but are part of something far more dark and complex Her investigation leads to the highest echelons of power and into the recesses of history where the seeds of evil deeds were planted **Encyclopedia of Nordic Crime Fiction** Mitzi M. Brunsdale,2016-04-27 Since the late 1960s the novels of Sjowall and Wahloo s Martin Beck detective series along with the works of Henning Mankell Hakan Nesser and Stieg Larsson have sparked an explosion of Nordic crime fiction grim police procedurals treating urgent sociopolitical issues affecting the contemporary world Steeped in noir techniques and viewpoints many of these novels are reaching international audiences through film and television adaptations This reference guide introduces the world of Nordic crime fiction to English speaking readers Caught between the demands of conscience and societal strictures the detectives in these stories like the heroes of Norse mythology know that they and their world must perish but fight on regardless of cost At a time of bleak eventualities Nordic crime fiction interprets the bitter end as a celebration of the indomitable human spirit *A Treacherous Paradise* Henning Mankell,2013-07-09 From the internationally acclaimed author of the Kurt Wallander crime novels a powerful stand alone novel set in early twentieth century Sweden and Mozambique whose vividly drawn female protagonist is awoken from her na vet by her exposure to racism and by her own unexpected inner strengths Cold and

poverty define Hanna Renström's childhood in remote northern Sweden and in 1904 at nineteen she boards a ship for Australia in hope of a better life But none of her hopes or fears prepares her for the life she will lead After two brief marriages both leave her widowed she finds herself the owner of a bordello in Portuguese East Africa a world where colonialism and white colonists rule where she is isolated within white society by her profession and her gender and among the bordello's black prostitutes by her color As Hanna's story unfurls over the next several years in this treacherous paradise she wrestles with a devastating loneliness and with the racism she's meant to unthinkingly adopt And as her life becomes increasingly intertwined with the prostitutes she moves inexorably toward the moment when she will make a decision that defies all the expectations society has of her and more important those she has of herself Gripping in its drama evocative and searing in its portrait of colonial Africa *A Treacherous Paradise* is at its heart a deeply moving story of a woman who manages to wrench wisdom empathy and grace from the most unforgiving circumstances **The Secret Life of Wallander**

Stafford Hildred, 2010-10-14 Almost 20 years since he first appeared in Henning Mankel's novel *Faceless Killers* the sad Swedish detective Kurt Wallander has become a worldwide success story Mankel's compelling books about the idealistic police inspector who is even more miserable than Morse have sold more than 30 million copies in 43 different languages and inspired more than 25 film adaptations In Europe readers took instantly to the troubled lonely cop with his horrendous health problems and catastrophic home life The nine Wallander novels became runaway bestsellers all over Europe but in Britain and the United States success was slower to take off But now since Kenneth Branagh has taken on the central role in the acclaimed and award winning BBC series British and American fans have really taken Wallander to their hearts The popularity of the character has turned the small Swedish town of Ystad into one of the country's top tourist attractions and many British and American visitors are joining the queue to visit murder scenes and immerse themselves in the bleak landscape made famous on screen Yet Wallander is much more than just another TV crime series Henning Mankel invented the caring policeman as a vehicle to write about the disturbing increase in violence and racism that was undermining the comfortable social democracy of Sweden Those problems are as international as Wallander's appeal **The Fifth Woman**

Henning Mankell, 2011 In an Algerian convent four nuns and an unidentified fifth woman are found with their throats slit In Sweden a birdwatcher is skewered to death in a pit of carefully sharpened bamboo poles How are the deaths connected It's up to Inspector Kurt Wallander to find out **The Troubled Man** Henning Mankell, 2011-03-29 The tenth riveting installment in the mystery thriller series that inspired the Netflix crime drama *Young Wallander* As satisfying for its emotional depth as its suspense A gripping mystery *PEOPLE Magazine* A retired navy officer has vanished in a forest near Stockholm Kurt Wallander is prepared to stay out of the relatively straightforward investigation which is after all another detective's responsibility but the missing man is his daughter's father in law With his typical disregard for rules and regulations Wallander is soon pursuing his own brand of dogged detective work on someone else's case His methods are

often questionable but the results are not he finds an extremely complex situation which may involve the secret police and ties back to Cold War espionage Adding to Wallander s concerns are more personal troubles Having turned sixty and having long neglected his health he s become convinced that his memory is failing As he pursues this baffling case he must come to grips not only with the facts at hand but also with his own troubling situation Why I Read Wendy Lesser,2014-01-07
