worried that our sympathy for the victims of a social problem can make the problem's beauty and attraction invisible In *The Beauty of a Social Problem* Walter Benn Michaels explores the effort to overcome this difficulty through a study of several contemporary artist photographers whose work speaks to questions of political economy Although he discusses well known figures like Walker Evans and Jeff Wall Michaels's focus is on a group of younger artists including Viktoria Binshtok Phil Chang Liz Deschenes and Arthur Ou All born after 1965 they have always lived in a world where on the one hand artistic ambition has been synonymous with the critique of autonomous form and intentional meaning while on the other the struggle between capital and labor has essentially been won by capital Contending that the aesthetic and political conditions are connected Michaels argues that these artists' new commitment to form and meaning is a way for them to depict the conditions that have taken US economic inequality from its lowest level in 1968 to its highest level today As Michaels demonstrates these works of art unimaginable without the postmodern critique of autonomy and intentionality end up departing and dissenting from that critique in continually interesting and innovative ways

Perspectives Laurent Binet, 2026-01-29 Florence New Year's Day 1557 As dawn breaks a painter is discovered lying on the floor of a church stabbed through the heart Above him the paintings he laboured over for more than a decade At his home a hidden painting scandalously depicting Maria de Medici daughter of the Duke and Duchess of Florence as a naked Venus Who is the murderer Who is behind the painting As the city erupts in chaos Giorgio Vasari the great art historian is picked to lead the investigation Letters fly back and forth carrying news of political plots and speculation about the killer's identity between Maria and her aunt Catherine de Medici the queen of France between Catherine and her scheming agents in Florence and between Vasari and his friend Michelangelo Meanwhile the Pope is banning books and branding works of art immoral And the truth when it comes to light is as shocking as the bold new artworks that have made Florence the red hot centre of Europe Bursting with characters and colour *Perspectives* is a mystery like no other that shows us Renaissance Florence as we've never seen it before a dazzling hugely entertaining novel of court machinations murder and art

Multiple Narratives, Versions and Truth in the Contemporary Novel Nicholas Frangipane, 2019-10-22 *Multiple Narratives Versions and Truth in the Contemporary Novel* considers the shifting perception of truth in fiction Nicholas Frangipane examines the narrative technique of telling multiple versions of the same sets of events presenting both true and false versions of the events within a fictional work This book looks closely at these Reflexive Double Narratives in order to understand the way many contemporary writers have attempted to work past postmodernism without forgetting its lessons Frangipane explores how writers like Ian McEwan Yann Martel and Alice Munro have departed from the radical experimentation of their predecessors and instead make sincere attempts to find ways that fictional writing can reveal enduring truths and in so doing redefine the meaning of truth itself and signal the emergence of post postmodernism
