Airport Development Reference Manual – New Edition

In March 2014, IATA –in collaboration with ACI World and other key aviation industry stakeholders– released the 10th Edition of the **Airport Development Reference Manual (ADRM)**.

- The ADRM brings together **aviation industry best practices** with respect to the development of world-class airports.
- The ADRM is recognized as **one of the aviation industry's most important guides** for airport development (be it the planning of new airports or extending existing airport infrastructure).
- The ADRM content represents the **consolidated recommendations** of world-renowned industry specialists and organizations seeking to promote the **development of sustainable and efficient world-class airport facilities**.
